

TELECOMMUNICATIONS ACT 1997

REGISTER OF NOMINATED CARRIER DECLARATIONS AS AT 3 JUNE 2011

NO.	NOMINATED CARRIER:	NETWORK UNIT(S):	DATE DECLARATION MADE:
1	Optus Networks Pty Limited	A designated radiocommunications facility (HS 601 (B1)) satellite owned by the Commonwealth Bank of Australia Pty Ltd and currently in geostationary orbit at 160 degrees east.	1 July 1997
2	Windytide Pty Ltd	A hybrid fibre coaxial broadband cable system owned by CTV Pty Ltd and located in the City of Darwin (including the adjacent town of Palmerston), Northern Territory. This declaration was revoked on 25 November 2010	4 September 1997
3	Iridium South Pacific Pty Ltd	A designated radiocommunications facility (66 interconnected satellites positioned in 6 near polar orbits at an altitude of 780 km) owned by Iridium LLC (ILLC) This declaration was revoked on 24 September 2003	1 June 1998
4	Optus Networks Pty Limited	A designated radiocommunications facility (HS 601 (B3)) satellite owned by Collateral Leasing Pty Ltd and currently in geostationary orbit at 156 degrees east.	1 June 1998
5	Intelsat Asia Carrier Services Inc (formerly PanAmSat Asia Carrier Services Inc)	A designated radiocommunications facility being a Ku-Band transponder on the IS-2 satellite owned by Intelsat International Systems Inc and located at 191 degrees WL/169 degrees EL in the geostationary satellite arc.	24 June 1998
6	Telstra Corporation Limited	Fixed radiocommunications links located between Moomba and Caldina Creek which are part of the fixed microwave radiocommunications system between Moomba and Port Bonython, South Australia owned by Santos Ltd.	6 January 1999
7	Telstra Corporation Limited	Designated radiocommunications facilities being Ku-band transponders 2 and 10 on the IS-2 satellite owned by Intelsat International Systems Inc and located at 191 degrees WL/169 EL in the geostationary satellite arc.	6 January 1999
8	TransAct Carrier Pty Ltd	Single and multiple line links that form part of the TransAct network and which are owned by ACTEW Corporation Limited. This declaration was revoked on 24 September 2003	4 March 1999
9	OMNIconnect Pty Ltd	Fixed radiocommunications links and single and multiple line links owned by TTS Australia Pty Ltd and located on Hamilton Island	16 June 1999
10	OMNIconnect Pty Ltd	Fixed radiocommunications links and single and multiple line links owned by TTS Australia Pty Ltd and located between Mildura, Loddon, Swan Hill, Gannawarra and Buloke in Victoria, and Wentworth, Balranald and Wakool in NSW.	16 June 1999
11	OMNIconnect Pty Ltd	Fixed radiocommunications links owned by the University of Ballarat and located between Stawell, School of Mines Ballarat, Mount Blackwood, Horsham, Mount Zero, Ararat, University of Melbourne and Mount Helen in Victoria.	16 June 1999

12	Hutchison Telecommunications (Australia) Limited	<p>Single and multiple line links and base stations for supply of a public mobile telecommunications service, that form part of the Hutchison code division multiple access cellular network in the areas of spectrum licence numbers 1136510-1136513 (inclusive) and 1281501-1281502 (inclusive) issued to Hutchison to supply local access services and public mobile telecommunications services.</p> <p>This declaration was revoked on 28 February 2002</p>	29 June 1999
13	One.Tel GSM 1800 Pty Limited	<p>Base stations owned by Lucent Technologies World Services Inc A.R.B.N. 087 517 306 and used, or for use, to supply public mobile telecommunications services over One.Tel's telecommunications network in the areas of spectrum licence numbers 1281519, 1281520, 1281525 and 1281526 issued to One.Tel.</p> <p>This declaration was revoked on 24 September 2003</p>	30 July 1999
14	Vodafone Pacific Limited	<p>Base stations for the supply of public mobile telecommunications services and fixed radiocommunications links owned by Vodafone Network Pty Ltd ACN 081 918 461 and that are part of the Vodafone public mobile telecommunications network.</p>	17 February 2000
15	Vodafone Pacific Limited	<p>Base stations for the supply of public mobile telecommunications services and fixed radiocommunications links jointly owned by the Commonwealth Bank of Australia ACN 123 123 124 and Collateral Leasing Pty Limited ACN 002 681 218 and that are part of the Vodafone public mobile telecommunications network.</p>	17 February 2000
16	Vodafone Pacific Limited	<p>Base stations used for the supply of public mobile telecommunications services and fixed radiocommunications links owned by VPL Securities Pty Ltd ACN 065 106 176 and that are part of the Vodafone public mobile telecommunications network.</p>	17 February 2000
17	Windytide Pty Ltd	<p>Base stations that are part of a terrestrial radiocommunications customer access network and that are owned by STV Pty Limited ACN 065 312 450 and that are located in Australia and are used for the supply of Internet access services.</p> <p>This declaration was revoked on 25 November 2010</p>	16 March 2000
18	Windytide Pty Ltd	<p>Base stations that are part of a terrestrial radiocommunications customer access network and that are owned by CTV Pty Limited ACN 064 416 128 and that are located in Australia and are used for the supply of Internet access services.</p> <p>This declaration was revoked on 25 November 2010</p>	16 March 2000
19	Windytide Pty Ltd	<p>Base stations that are part of a terrestrial radiocommunications customer access network and that are owned by Austar United Broadband Pty Limited ACN 089 048 439 and that are located in Australia and are used for the supply of Internet access services.</p> <p>This declaration was revoked on 1 April 2011</p>	16 March 2000
20	ACN 088 889 230 (formerly Neighborhood Cable Pty Ltd)	<p>The hybrid fibre coaxial broadband cable networks owned by NC Cable Pty Ltd ACN 063 024 475 and located in the cities of Mildura and Ballarat.</p>	17 March 2000

21	Soul Pattinson Telecommunications Pty Limited	<p>Fixed radiocommunications links owned by RSL Com Pty Ltd ACN 074 627 642 and located in metropolitan areas in New South Wales, Queensland, Victoria, Western Australia, Australian Capital Territory, South Australia and Tasmania.</p> <p>This declaration was revoked on 15 December 2005</p>	3 April 2000
22	Vodafone Pacific Limited	<p>Designated radiocommunications facilities owned by Globalstar L.P being radiocommunications transmitters and receivers in the constellation of 48 (or more) low orbit satellites and 4 additional in-orbit spare satellites used for the supply of satellite mobile phone service in Australia</p> <p>This declaration was revoked on 1 July 2003</p>	12 May 2000
23	Amcom Pty Ltd	<p>A single line link owned by IPI (Australia) Pty Ltd consisting of a 36 core optic fibre cable and associated booster stations used to supply service between Perth, Western Australia and Melbourne, Victoria.</p> <p>This declaration was revoked 21 June 2001.</p>	23 August 2000
24	Optus Networks Pty Limited	<p>Fibre optic cable network owned by the Power and Water Authority of Northern Territory connecting Northern Territory Government sites located in the central business district of Darwin and Casuarina.</p> <p>This declaration was revoked the on 14 December 2007.</p>	28 September 2000
25	Amcom Pty Ltd	<p>Designated radiocommunications facilities owned by Murdoch University and located in Western Australia at Murdoch University Campus, South Street, Murdoch, Peel College of Technical and Further Education Campus, Punt Street, Mandurah, Murdoch University Regional Campus, Rockingham Lot 1604, Rockingham and Gobby Road, Keysbrook.</p> <p>This declaration was revoked on 28 February 2002</p>	27 November 2000

26	Horizon Telecommunications Pty Ltd	<p>Designated radiocommunications facilities owned by Brisbane Internet Technology located in Queensland at 269 Wickham Street, Fortitude Valley, 36 Agnes Street, Fortitude Valley, 545 Queen Street, Brisbane, 62 Bowen Street, Spring Hill, 22 Robertson Street, Fortitude Valley, 3 Walker Street, Windsor, 120 Wickham Street, Fortitude Valley, 230 Harcourt Street, New Farm, 45 Cribb Street, Milton, Cnr Anne and Edward Streets, Brisbane, Cnr Wyandra and Skyring Streets, Teneriffe, 358 Wickham Street, Fortitude Valley, 34 James Street, Fortitude Valley, 547 Anne Street Brisbane, 12 Gordon Street, Newstead, 12 Upper Clifton Terrace, Red Hill, 107 Latrobe Terrace, Paddington, 82 Cremorne Road, Kedron, Enderly Road, Clayfield and 58 Fernberg Road, Rosalie.</p> <p>This declaration was revoked on 12 August 2005</p>	27 November 2000
27	Optus Networks Pty Limited	<p>Eight optic fibres within the multiple line link fibre optic cable trunk network owned by Reef Networks Pty Ltd connecting Brisbane and Cairns in Queensland.</p> <p>This declaration was revoked on 19 October 2006</p>	4 April 2001
28	Amcom Pty Ltd	<p>A single line link owned by IPI (Australia) Pty Ltd consisting of a 36 core optic fibre cable and associated booster stations used to supply service between Perth, Western Australia and Melbourne, Victoria.</p> <p>This declaration was revoked on 28 February 2002</p>	21 June 2001
29	AARNet Pty Ltd	<p>Base stations that are part of a terrestrial radiocommunications customer access network owned by Charles Sturt University and located at:</p> <ul style="list-style-type: none"> • University of Technology Campus at Sydney, NSW • Charles Sturt University Campus at Bathurst, NSW • Charles Sturt University Campus at Wagga, NSW • Charles Sturt University Campus at Dubbo, NSW • Charles Sturt University Campus at Albury, NSW <p>This declaration was revoked on 15 October 2008</p>	22 June 2001
30	Intelsat Asia Carrier Services Inc (formerly PanAmSat Asia Carrier Services Inc)	<p>Designated radiocommunications facility being Ku-band transponder 18K on the Intelsat IS-8 geostationary satellite owned by Intelsat International Systems Inc and located at 166 degrees east longitude</p>	31 July 2001

31	AARNet Pty Ltd	Base stations that are part of a terrestrial radiocommunications customer access network, owned by Deakin University, and located in Melbourne within Postcode 3000 and at Geelong within Postcode 3217. This declaration was revoked on 15 October 2008	30 August 2001
32	AirNet Commercial Australia Pty Ltd	Base stations that are part of a terrestrial radiocommunications customer access network, owned by Megalink Australia Pty Ltd, and located in Victoria. This declaration was revoked on 12 August 2005	9 October 2001
33	Bareena Holdings Pty Ltd	Interconnected satellites positioned in six near polar orbits at an altitude of 780 km, owned by Iridium Constellation LLC This declaration was revoked on 15 June 2009	4 April 2002
34	Agile Pty Ltd	Single and multiple line links owned by the State Government of South Australia and located within Adelaide, South Australia.	10 May 2002
35	Bright Telecommunication Services Pty Ltd	Single and multiple line links and radiocommunication facilities owned by Western Power Corporation in Western Australia. This declaration was revoked on 1 July 2003	28 Nov 2002
36	ETSA Utilities	12 single mode underground optical fibre cores owned by Transport SA and located within the Southern Expressway reserve between Bedford Park and Noarlunga, South Australia.	23 December 2002
37	Vodafone Australia Ltd	Designated radiocommunications facilities on the purchase by Localstar Pty Ltd and located at: <ul style="list-style-type: none"> • Dubbo Gateway, Lot 52 Burraway Road, Brocklehurst NSW 2830 • Meekatharra Gateway, Lot 33 Murchison Downs Road Meekatharra WA 6642 • Mt Isa Gateway, Lot 33 Lake Moondarah Road Mt Isa Qld 4825 • Globalstar Mobile Switching Centre, 2 Raw Square Stratfield Nsw 2135. This declaration was revoked on 1 July 2003	23 December 2002
38	Pivotal Group Pty Limited (formerly Localstar Holdings Pty Limited)	Designated radiocommunications facilities owned by Localstar Pty Ltd and located at: <ul style="list-style-type: none"> • Dubbo Gateway, Lot 52 Burraway Road, Brocklehurst NSW 2830 • Meekatharra Gateway, Lot 33 Murchison Downs Road Meekatharra WA 6642 • Mt Isa Gateway, Lot 33 Lake Moondarah Road Mt Isa Qld 4825 • Globalstar Mobile Switching Centre, 2 Raw Square Stratfield Nsw 2135. 	4 April 2003
39	Optus Mobile Pty Ltd	Designated radiocommunications facilities, owned by Optus Mobile Investments Pty Limited and located in the Australian capital Territory and specified municipalities or local government areas	9 April 2003

40	Hutchison 3G Australia Pty Limited	Designated radiocommunication facilities, owned by Ericsson Australia Pty Ltd for use to supply 3G public mobile services in the spectrum licence areas of Sydney, Melbourne, Brisbane, Adelaide and Perth.	14 April 2003
41	Pacific Wireless Australia Pty Ltd	Designated radiocommunication facilities, owned by AccessPlus Pty Ltd and operating in specified local municipal areas in Queensland and New South Wales. This declaration was revoked on 3 June 2009	30 May 2003
42	Optus Networks Pty Limited	Satellite-based facilities, consisting of 24 Ku Band transponders and located on the Optus C1 geostationary satellite which is located 156 degrees East longitude and 0 degrees latitude, owned by Cable & Wireless Optus Satellites Pty Limited.	13 June 2003
43	Pivotal Group Pty Limited (formerly Localstar Holdings Pty Limited)	Designated radiocommunication facilities, being the radiocommunication transmitters and receivers located on 48 low earth orbiting satellites owned by Globalstar L.P. These satellites are placed in eight orbital planes of six satellites each, inclined at 52 degrees to provide service on earth from 70 degrees North latitude to 70 degrees South latitude and the radiocommunications transmitters and receivers in 4 (or more) orbiting satellites owned by Globalstar L.P. which may be used to replace satellites in event of failure.	30 June 2003
44	Bright Telecommunications Pty Ltd	Single and multiple line links and radiocommunication facilities owned by Western Power Corporation in Western Australia. This declaration was revoked on 22 June 2006	30 June 2003
45	New Skies Networks Pty Limited	Base stations owned by Penola Internet Services (ABN 16 132 279 042) and South East Communication Network (ABN 60 568 909 637) that are part of a terrestrial radiocommunications customer access network located in the South Australian municipalities of Tatiara District Council, Kingston District Council, Naracoorte Lucindale Council, District Council of Robe, Wattle Range Council, District Council of Grant, City of Mount Gambier; and the Victorian municipalities of West Wimmera Shire Council and Glenelg Shire Council. This declaration was revoked on 19 May 2004	30 June 2003
46	New Skies Networks Pty Limited	Designated radiocommunications facility, consisting of transponders on the NSS-5, NSS-6 and NSS-703 geostationary satellites owned by New Skies Satellites N.V. This declaration was revoked on 16 June 2005	16 July 2003

47	Optus Networks Pty Limited	Fibre optic network units owned by Burnie City Council and located in North West Tasmania This declaration was revoked on 10 September 2004	28 July 2003
48	Airnet Commercial Australia Ltd	Designated radiocommunication facilities, owned by m.Net Corporation Ltd (ACN 097 086 390) and operating in Adelaide and Whyalla, South Australia This declaration was revoked on 2 June 2011	30 July 2003
49	ACN 088 889 230 Pty Ltd	Designated radiocommunication facilities and single and multiple line links owned by NC Cable Pty Limited and located in the City of Greater Geelong and the Surf Coast Shire, Victoria	18 August 2003
50	Optus Networks Pty Ltd	Designated radiocommunication facilities owned by e-Sat Communications Pty Ltd and located in Australia.	30 September 2003
51	Comindico Australia Pty Ltd	Designated radiocommunication facilities being base stations that are part of a terrestrial radiocommunications customer access network owned by Empire Networks Pty Ltd (ACN 092 898 774) and located in the municipalities of City of Kingston, City of Monash, City of Greater Dandenong and City of Bayside, Victoria. This declaration was revoked on 11 August 2006	6 October 2003
52	Ergon Energy Telecommunications Pty Ltd	Up to twelve optic fibres within single and multiple line links owned by Ergon Energy Corporation Limited ACN 087 646 062 that are used by Ergon Energy Telecommunications Pty Ltd	25 November 2003
53	Oziplex Pty Ltd	Base stations that are part of a terrestrial radio communications customer access network owned by KM & S McKibbin and located in Victoria This declaration was revoked on 19 December 2008.	10 December 2003
54	Pipe Networks Limited (formerly IX Services Australia Pty Ltd)	Designated radiocommunication facilities being base stations that are part of a terrestrial radiocommunications customer access network owned by BroadbandNet Pty Ltd and located in the municipalities of City of Perth, City of Kalgoorlie-Boulder, City of Bunbury and City of Geraldton, Western Australia. This declaration was revoked on 15 September 2006	24 December 2003
55	Oziplex Pty Ltd	Base stations that are part of a terrestrial radio communications customer access network owned by Arachnet Pty Ltd and located in Perth, Western Australia. This declaration was revoked on 19 December 2008	26 February 2004

56	Norlink Communications Limited	Base stations that are part of a terrestrial radio communications customer access network owned by RCS Online Pty Ltd and Skystar Communications Pty Ltd and located across Australia.	19 May 2004
57	iPSTAR Australia Pty Ltd	Designated radiocommunications facilities owned by Shin Satellite Company Limited being iPSTAR-1 satellite and located in a 119.5E longitude orbit.	5 August 2004
58	Comindico Australia Pty Limited	Designated radiocommunication facilities being base stations that are part of a terrestrial radiocommunications customer access network owned by Cerum Pty Ltd and located in the Varsity Central, Varsity Lakes region of the Gold Coast, Queensland. This declaration was revoked on 4 December 2006	5 August 2004
59	Integrated Community Networks Pty Ltd	Designated radiocommunication facilities and multiple line links, owned by Burnie City Council, and located in the geographical postcode areas of 7320, 7325, 7307 and 7310. This declaration was revoked on 30 September 2005	10 September 2004
60	Personal Broadband Australia Limited	Designated radiocommunication facilities being a public mobile telecommunications service owned by Kyocera Corporation and used by Personal Broadband Australia Pty Ltd and located in Australia. This declaration was revoked on 18 February 2009	12 November 2004
61	Telstra Corporation Limited	Designated radiocommunication facilities being transponders: a. Transponder K5V; b. Transponder K6V; c. can Transponder K7V; and d. Transponder K8V; on the AsiaSat 3S Satellite owned by Asia Satellite Telecommunications Co. Ltd and: e. Transponder K1V; f. Transponder K2V; g. Transponder K3v; h. Transponder K4V; i. Transponder K5V; j. Transponder K6V; k. Transponder K7V; and l. Transponder K8V; on the AsiaSat 4 Satellite owned by Asia Satellite Telecommunications Co. Ltd.	12 November 2004

62	Telstra Corporation Limited	<p>Line Links or designated radiocommunications facilities consisting of fixed radiocommunications links or base stations used, or for use, to supply a public mobile telecommunications service using a WCDMA Universal Mobile Telecommunications System radio access network, owned by 3GIS Pty Limited or jointly owned by Telstra OnAir Holdings Pty Ltd and Hutchison 3G Australia Pty Limited and located in Australia.</p> <p>This declaration was revoked on 8 March 2011</p>	24 November 2004
63	Ergon Energy Telecommunications Pty Ltd	Designated capacity on single and multiple line links that comprise the fibre optical cable network owned by Queensland Rail that connect Kinrola and Coppabella in Queensland.	2 December 2004
64	Pivit Pty Ltd	<p>Single and multiple line links located within the campus of Brisbane Airport, (namely Lot 1 on RP 844114, County of Stanley, Parish of Toobul, in the State of Queensland) and owned by Brisbane Airport Corporation Limited, ACN 076 870 650.</p> <p>This declaration was revoked on 28 June 2005</p>	16 December 2004
65	Oziplex Pty Ltd	Designated radiocommunication facilities being base stations that are part of a terrestrial radiocommunications customer access network and located within the municipalities of Mackay City Council, Broadsound Shire Council, Sarina Shire Council, Belyando Shire Council, Whitsunday Shire Council, Mirani Shire Council, Nebo Shire Council, Peak Downs Shire Council and owned by Easy Internet Services Pty.Ltd., ACN 082 852 104.	16 December 2004
66	Pivit Pty Ltd	Single and multiple line links located within Coomera Waters Village & Resort, Queensland on Lot 932 on Registered SP 150123 or other Scheme land of Coomera Waters CTS 296936 and Coomera Waters 2 CTS 29695 and owned by Coomera Waters Management Co Pty Ltd, ACN 096 585 287.	17 December 2004

67	A.P.J.Net Pty Ltd	<p>Designated radiocommunications facilities located within the municipal areas of Atherton Shire Council, Aurukun Shire Council, Bowen Shire Council, Burdekin Shire Council, Burke Shire Council, Burnett Shire Council, Cairns City Council, Cardwell Shire Council, Carpentaria Shire Council, Charters Towers City Council, Cloncurry Shire Council, Cook Shire Council, Croydon Shire Council, Dalrymple Shire Council, Douglas Shire Council, Eacham Shire Council, Etheridge Shire Council, Flinders Shire Council, Herberton Shire Council, Hervey Bay City Council, Hinchinbrooke Shire Council, Johnston Shire Council, McKinlay Shire Council, Mt Isa City Council, Mackay City Council, Mareeba Shire Council, Mirani Shire Council, Mornington Shire Council, Richmond Shire Council, Thuringowa City Council, Torres Shire Council, Townsville City Council and Whitsunday Shire Council in the State of Queensland and owned by Wireless Broadband Services (NQ) Pty Ltd, ACN 110 859 697.</p> <p>This declaration was revoked on 16 October 2006</p>	10 January 2005
68	Pivit Pty Ltd	<p>Single and multiple line links located within Sanctuary Cove, Queensland on the land described in section 5(1) of the <i>Sanctuary Cove Resort Act 1985</i> (Qld) as 'the site' and owned by Mulpha Sanctuary Cove (Developments) Pty Limited, ACN 098 660 318.</p>	10 January 2005
69	Pivit Pty Ltd	<p>Designated radiocommunication facilities, being terrestrial base stations that are part of a customer access network and fixed radiocommunication links, located in the State of Queensland and owned by Mt Gravatt Training Centre Inc, ABN 77 561 338 573 (trading as 'Civic Solutions').</p> <p>This declaration was revoked on 12 August 2005</p>	4 April 2005
70	Soul Pattinson Telecommunications Pty Limited	<p>Designated radiocommunication facilities being base stations that are part of terrestrial radiocommunications customer access networks owned by:</p> <ul style="list-style-type: none"> • Cerum Pty Ltd (ACN 091 904 442) and located at Varsity Central, Varsity Lakes in the Gold Coast region of Queensland. • Empire Networks Pty Ltd (ACN 092 898 774) and located in the municipalities of City of Kingston, City of Monash, City of Greater Dandenong and City of Bayside, Victoria. • SPTCOM Pty Limited (ACN 111 578 897) and located in the municipalities of Greater Shepparton City Council, Shire of Campaspe, and Benalla Rural City in Victoria. 	21 April 2005

71	New Skies Networks Pty Limited	Designated radiocommunications facility, consisting of transponders on the NSS-5, NSS-6 and NSS-703 geostationary satellites owned by New Skies Satellites B.V. This declaration was revoked 7 February 2006	13 May 2005
72	Pivit Pty Ltd	Single and multiple line links and designated radiocommunications facilities located within Brisbane Airport, as defined in the <i>Airports Act 1996</i> (Cth) and <i>Airports Regulations 1997</i> (Cth) in the State of Queensland and owned by Brisbane Airport Corporation Pty Limited.	13 May 2005
73	Soul Pattinson Telecommunications Pty Limited	Designated radiocommunication facilities being base stations that are part of terrestrial radiocommunications customer access networks owned by Murray River Regional Telecommunications Company Ltd (ACN 107 018 922) in the municipal areas of Albury City Council and Wodonga City Council.	30 May 2005
74	Integrated Community Networkworks Pty Ltd	Single and multiple line links located in the municipality of Burnie and radiocommunication facilities located in the municipalities of Burnie, Circular Head, Waratah-Wynyard, Central Coast, Devonport, Latrobe and Kentish and owned by Burnie City Council.	12 September 2005
75	Oziplex Pty Ltd	Designated radiocommunication facilities being base stations that are part of a terrestrial radiocommunications customer access network and located in the municipalities of Port Stephens Council and Great Lakes Council and owned by Ward Enterprises Pty Ltd, ACN 001 705 022. This declaration was revoked on 19 December 2008	7 November 2005
76	PIPE Networks Limited	Single and multiple line links located in the municipality of the City of Ipswich, Queensland and owned by Springfield land Corporation Pty. Limited.	12 December 2005
77	New Skies Satellites Australia Pty Ltd	Designated radiocommunications facility, consisting of transponders on the NSS-5, NSS-6 and NSS-703 geostationary satellites owned by New Skies Satellites B.V.	7 February 2006
78	Pivit Pty Ltd	Single and multiple line links and designated radiocommunication facilities, being terrestrial base stations that are part of a customer access network and fixed radiocommunication links, located in the municipality of the City of Brisbane, Queensland and owned by the State of Queensland represented by the Department of Housing, ABN 86 504 771 740. This declaration was revoked on 10 April 2008	20 February 2006

79	AMCOM Pty Ltd	Single and multiple line links, located in the municipalities of the Adelaide City Council, City of Prospect, City of Port Adelaide Enfield, City of Salisbury, City of Playford, Town of Gawler, Light Regional Council, City of Charles Sturt, City of West Torrens, City of Marion, City of Holdfast Bay, City of Onkaparinga, City of Mitcham, City of Unley, The City of Burnside, The City of Norwood, Payneham and St Peters, Corporation of the Town of Walkerville and Campelltown City Council in South Australia and owned by SABRENet Ltd, ACN 115 957 090.	17 March 2006
80	Auroracom Pty Ltd	<p>Single line links connecting distinct places in Australia that are fibre optical cores and overhead and underground electric power conductors fitted with broadband over powerlines equipment in Tasmania and owned by Aurora Energy Pty Ltd, ACN 082 464 622.</p> <p>Multiple line links connecting distinct places in Australia that are fibre optical cores and overhead and underground electric power conductors fitted with broadband over powerlines equipment in Tasmania and owned by Aurora Energy Pty Ltd, ACN 082 464 622.</p> <p>Designated radiocommunications facilities utilising the <i>Radiocommunications (Low Interference Potential Devices) Class Licence 2000</i> in Tasmania and owned by Aurora Energy Pty Ltd, ACN 082 464 622.</p>	8 May 2006
81	Oziplex Pty Ltd	Single and multiple line links and designated radiocommunications facilities in the municipalities of the Beaudesert Shire Council, Boonah Shire Council, Brisbane City Council, Cambooya Shire Council, Clifton Shire Council, Crows Nest Shire Council, Gatton Shire Council, Inglewood Shire Council, Ipswich City Council, Jondaryan Shire Council, Laidley Shire Council, Logan City Council, Shire of Stanthorpe, Tenterfield Shire Council, Toowoomba City Council and Shire of Warwick owned by HaleNET Pty Ltd, ACN 082 330 121.	12 May 2006
82	Oziplex Pty Ltd	<p>Designated radiocommunication facilities in the municipalities of Lithgow City Council, Oberon Council, Bathurst Regional Council and Mid-Western Regional Council owned by L.I.S.P. Pty. Limited, ACN 071 617 966.</p> <p>This declaration was revoked on 19 December 2008</p>	12 May 2006
83	Widelinx Pty. Ltd.	Single and multiple line links and designated radiocommunications facilities located within the municipalities of Bundaberg City Council, Hervey Bay City Council and Maryborough City Council in the State of Queensland and owned by Hervey Bay City Council, ABN 47 689 673 6 29.	14 June 2006

84	Bright Telecommunications Pty Ltd	Single and multiple line links and designated radiocommunications facilities owned by Electricity Networks Corporation, ABN 18 540 492 861 and located in Western Australia.	22 June 2006
85	ClubLinks Telco Pty Ltd	<p>Multiple line links owned by:</p> <ul style="list-style-type: none"> • Sandhurst Golf Estates Pty Ltd, ACN 089 884 766, located at the Sandhurst Club at Skye, in the Frankston City municipality in Victoria • Sanctuary Lakes Developments Pty Ltd, ACN 101 889 810, located at Point Cook in the City of Wyndham municipality in Victoria. <p>This declaration was revoked on 26 June 2008.</p>	17 July 2006
86	Optus Networks Pty Ltd	Optical fibres within the multiple line link that comprise the fibre optical cable trunk network owned by Reef Networks Pty Ltd (ACN 085 525 113) that connect Brisbane and Cairns and intervening locations in Queensland	19 October 2006
87	Megalink Australia Pty Ltd	Base stations that are part of a terrestrial radiocommunications customer access network owned by Precision Wireless Pty Ltd, ACN 111 296 907, and located in Victoria.	12 January 2007
88	Ergon Energy Telecommunications Pty Ltd	<p>Multiple links owned by ENERGEX Limited, ACN 078 849 055</p> <p>This declaration was revoked on 26 August 2008.</p>	25 January 2007
89	Telenor Mobile Aviation AS	Designated radiocommunications facilities owned by Emirates Airline, located onboard Emirates Airline aircraft.	9 February 2007
90	Telenor Mobile Aviation AS	Designated radiocommunications facilities owned by Aeromobile Limited, located onboard Qantas Airways aircraft.	9 February 2007
91	Hutchison 3G Australia Pty Limited	Designated radiocommunications facilities being a public mobile telecommunication service owned by Hutchison Telecommunications (Australia) Ltd.	8 June 2007
92	Amcom Pty Ltd	Multiple line links connecting Central Plaza Building, University of Adelaide to Waite Institute, Waite Road, Urrbrae in South Australia and owned by The University of Adelaide	26 July 2007
