The *Broadcasting Financial Results* (the BFR data) for commercial television licensees is derived directly from the financial information provided by licensees in form ACMA B18 from 2001-2002 to 2005-2006. The figures are not verified by ACMA and appear as reported. While the relevant ACMA forms determine the data to be included in the BFR data, ACMA does not stipulate accounting standards to licensees. Therefore, there may be differences in accounting practices between licensees in any one year and differences in accounting practices by the same licensee from year to year.
