The formula for calculating first release Australian drama programs is: **Drama Score = Format Factor x Duration of program (in hours).**

The Format Factor for drama is:

**4** for a feature film that has been acquired for a licence fee of at least \$163,000.

**4** for a telemovie, mini-series, or self-contained drama of less than 90 minutes' duration

**3.2** for a feature film that has been acquired prior to 11 July 2002

**3** for a series/serial produced at the rate of one hour or less per week and acquired from an independent producer for a fee of at least \$325,000 per hour

**2.5** for a feature film that does not meet the format factor 4 or format factor 3.2 requirements

**2.5** for a serial or series produced at the rate of one hour or less per week, but does not meet format factor 3 requirement

**1** for a series/serial produced at the rate of more than one hour per week
