

Formal Warning under subsection 129(2) of *the Telecommunications Act 1997*

TO: Aussie Broadband Pty Ltd (ACN 132 090 192)

OF: 388 Raymond Street
Sale, VIC 3850

The Australian Communications and Media Authority (the **ACMA**) is satisfied that Aussie Broadband Pty Ltd (ACN 132 090 192) (**Aussie Broadband**) has contravened the *Telecommunications (Consumer Complaints Handling) Industry Standard 2018* (the **Complaints Standard**) as described below; and

HEREBY issues a formal warning to Aussie Broadband under subsection 129(2) of the *Telecommunications Act 1997* (the **Act**) for contravening paragraph 7(1)(a) of the Complaints Standard.

Details of the contravention

1. The ACMA has investigated whether Aussie Broadband's complaints handling process (**CHP**) complied with the minimum requirements for consumer complaints handling set out in sections 8, 9 and 10 of the Complaints Standard.
2. As a carriage service provider, Aussie Broadband is a participant in the section of the telecommunications industry to which the Complaints Standard applies and is required to comply with the Complaints Standard under subsection 128(1) of the Act.
3. After completing its investigation, the ACMA is satisfied that as at 31 July 2018, Aussie Broadband's CHP did not comply with:
 - a. paragraph 8(1)(b);
 - b. paragraph 8(1)(d);
 - c. paragraph 8(1)(k);
 - d. paragraph 8(1)(m);
 - e. section 9;
 - f. paragraph 10(b);
 - g. paragraph 10(d); and
 - h. paragraph 10(g)of the Complaints Standard.

4. Accordingly, the ACMA finds that Aussie Broadband contravened paragraph 7(1)(a) of the Complaints Standard on 31 July 2018, by not establishing a CHP that includes the minimum requirements for consumer complaints handling.
