

Application for correction of licence register

Instructions for completion

- Print clearly. Forms which are illegible, unclear or incomplete details may be returned for clarification.

General

- This application should only be used where there has been an error in personal information contained in the register, such as typographic errors in personal details, or where information has been entered into the register that is incorrect or different to the information contained on the original application.
- Where the matter involves licence variations, such as equipment relocations, change of frequency and changes to other technical parameters, **Form R077** (*Additional station information*) should be used.
- Where the matter involves the transfer of an apparatus licence and requires an updating of the licensee's details, **Form R060** (*Application for transfer of apparatus licence(s)*)

Refusal of application

- Should your application be refused, this decision may be subject to reconsideration under section 285 of the *Radiocommunications Act 1992*.

Disclosure of personal details

- Information provided by the applicant in a field of this form that is marked with an asterisk (*) is required, by section 147 of the *Radiocommunications Act 1992*, to be disclosed to the public by the ACMA in a Register of the Radiocommunications Licences. The ACMA will disclose the contents of the Register by making it available for inspection at any ACMA office, on its website and through the sale of a CD-ROM.
