Dear Sirs

Election that section 61BE of the Broadcasting Services Act 1992 (Cth) ("BSA") apply to certain radio licensees

We refer to the Application for Prior Approval of a Temporary Breach/Transaction dated 29 June 2007, and approved by ACMA on 19 July 2007. As a result of that approval Macquarie Bank Limited (and certain of its related bodies corporate) are currently in a position to exercise control of a number of commercial television broadcasting licensees and commercial radio licensees in overlapping licence areas.

A list of the relevant commercial radio licensees controlled within an overlapping licence area (**Affected Radio Licensees**) is set out in the attachment to the letter.

On behalf of each of the Affected Radio Licensees, this letter constitutes written notice to ACMA that each of the Affected Radio Licensees elects that 61BE of the BSA apply to the licensees with effect from Sunday 29 July 2007.

Yours faithfully
