Dear Sir/Madam,

RE: ITS AUSTRALIA'S SUBMISSION TO ACMA (DATED 13 JULY 2020)

**ARRANGEMENTS FOR JAMMING DEVICES AND RADIOCOMMUNICATIONS DEVICE
EXEMPTIONS REVIEW**

ConnectEast Pty Ltd is the Responsible Road Authority and operator of EastLink as set out in the EastLink Project Act 2004 (Vic).

EastLink opened in 2008, and ConnectEast will continue to be responsible for EastLink until the concession expires in 2043.

EastLink is the 39 kilometre tollway in Melbourne's east, connecting the Eastern, Monash, Peninsula Link and Frankston Freeways.

EastLink includes twin 1.6 kilometre freeway tunnels, each with three running lanes.

ConnectEast is a member of ITS Australia.

On the issue of the proposal to amend the Radiocommunications (Prohibited Device) (RNSS Jamming Devices) Declaration 2014, I am writing to express ConnectEast's support for ITS Australia's submission to ACMA (dated 13 July 2020).

Yours sincerely,

Doug Spencer-Roy
Corporate Affairs & Marketing Manager
