Dear Senator
Dear Ms Milne

Thank you for your letter of 21 May 2012, expressing support for the Avaaz submission of 16 May 2012.

As the media ownership and control limits in the *Broadcasting Services Act* are a matter under the ACMA's jurisdiction, we are constantly monitoring these matters and undertaking both formal and informal inquiries as circumstances suggest – which is what we have been doing in this matter. So the ACMA is considering the matters raised by Avaaz in its submission.

When the ACMA has completed its assessment of the matters raised in the submission, we will provide you with a further response.

In the meantime if you have any additional information you feel is relevant to our assessment, we would be grateful to receive it.

Regards
Yours sincerely

Chris Chapman
Chairman
