ITEM 2.01 ACQUISITION OR DISPOSITION OF ASSETS.

On November 12, 2004, the reorganization of The News Corporation Limited, an Australian corporation ("TNCL") was effected in accordance with the Implementation Agreement (the "Implementation Agreement"), among TNCL, Carholt Pty Ltd, an Australian corporation ("Carholt"), and News Corporation, a Delaware corporation ("News Corporation"), which included, among other things, (i) the acquisition by Carholt, a wholly owned direct subsidiary of News Corporation, of all of the shares in TNCL, (ii) the cancellation of all the shares and options in TNCL, and in exchange existing TNCL shareholders and optionholders received shares and options in News Corporation, and (iii) the listing of News Corporation on the New York Stock Exchange ("NYSE") and the secondary listing of News Corporation on the Australian Stock Exchange and the London Stock Exchange. As a result of the transactions discussed in the preceding sentence, TNCL became a wholly owned indirect subsidiary of News Corporation. Holders of ordinary shares of TNCL ("Ordinary Shares") received one share of News Corporation Voting Common Stock for every two Ordinary Shares of TNCL held; holders of preferred limited voting shares of TNCL ("Preferred Shares") received one share of News Corporation Non-Voting Common Stock for every two Preferred Shares of TNCL held; holders of American Depositary Shares ("ADSs") (each of which represents either four Ordinary Shares or four Preferred Shares) received two shares of News Corporation Voting Common Stock or two shares of News Corporation Non-Voting Common Stock (as the case may be) for each ADS held; and holders of options over Preferred Shares (granted under either the News Corporation Share Option Plan or Australian Executive Option Plan) received new options representing half as many options over shares of News Corporation Non-Voting Common Stock and the exercise price of these options is twice the exercise price of the options they replace.

A copy of the press release announcing the completion of the transaction is attached as an exhibit hereto and is incorporated by reference herein.

TNCL's Ordinary Shares, Preferred Shares, Ordinary ADSs and Preferred ADSs were registered pursuant to Section 12(b) of the Securities Exchange Act of 1934, as amended ("Exchange Act"). In reliance on Rule 12g-3 of the Exchange Act, News Corporation Voting Common Stock and News Corporation Non-Voting Common Stock are deemed registered under Section 12(g) of the Exchange Act. TNCL is delisting its Ordinary Shares, Preferred Shares, Ordinary ADSs and Preferred ADSs from the NYSE and filing a Form 15 with the SEC to terminate the registration under the Exchange Act of the Ordinary Shares, Preferred Shares, Ordinary ADSs and Preferred ADSs. In addition, TNCL is delisting the Ordinary Shares and Preferred Shares from the Australian Stock Exchange, the London Stock Exchange and the New Zealand Stock Exchange. On November 12, 2004, TNCL changed its name to News Holdings Limited. A Form 8-A pertaining to the registration under Section 12(b) of Class A Preferred Stock Purchase Rights and Class B Preferred Stock Purchase Rights pursuant to the Agreement dated November 8, 2004 among the Company and Computershare is also being filed today.

SECTION 1. Authorized Stock; No Pre-Emptive Rights

(a) The total number of shares of capital stock which the Corporation shall have authority to issue is nine billion two hundred million (9,200,000,000) shares, consisting of six billion (6,000,000,000) shares of Class A Common Stock, par value \$0.01 per share ("Class A Common Stock"), three billion (3,000,000,000) shares of Class B Common Stock, par value \$0.01 per share ("Class B Common Stock"), one hundred million (100,000,000) shares of Series Common Stock, par value \$0.01 per share ("Series Common Stock") and one hundred million (100,000,000) shares of Preferred Stock, par value \$0.01 per share ("Preferred Stock"). The Class A Common Stock and Class B Common Stock are hereinafter referred to as the "Common Stock." Subject to the provisions of this Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock or Series Common Stock), the number of authorized shares of any of the Class A Common Stock, the Class B Common Stock, the Series Common Stock or the Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority in voting power of the stock of the Corporation entitled to vote thereon irrespective of the provisions of Section 242(b)(2) of the DGCL (or any successor provision thereto), and no vote of the holders of any of the Class A Common Stock, the Class B Common Stock, the Series Common Stock or the Preferred Stock voting separately as a class shall be required therefor.

(b) The holders of shares of capital stock of the Corporation, as such, shall have no pre-emptive right to purchase or have offered to them for purchase any shares of Preferred Stock, Common Stock, Series Common Stock or other equity securities issued or to be issued by the Corporation. The powers, preferences and rights and the limitations, qualifications and restrictions in respect of the shares of each class are set forth in the following sections.

SECTION 2. Preferred Stock

Subject to the limitations set forth in this Restated Certificate of Incorporation (including Section 4 of this Article IV), the Board of Directors of the Corporation (the "Board of Directors") is hereby expressly authorized, by resolution or resolutions, to provide, out of the unissued shares of Preferred Stock, for series of Preferred Stock and, with respect to each such series, to fix the number of shares constituting such series and the designation of such series, the voting powers (if any) of the shares of such series, and the preferences and relative, participating, optional or other special rights, if any, and any qualifications, limitations or restrictions thereof, of the shares of such series. The powers, preferences and relative, participating, optional and other special rights of each series of Preferred Stock, and the qualifications, limitations or restrictions thereof, if any, may differ from those of any and all other series at any time outstanding.

SECTION 3. Series Common Stock

Subject to the limitations set forth in this Restated Certificate of Incorporation (including Section 4 of this Article IV), the Board of Directors is hereby expressly authorized, by resolution or resolutions, to provide, out of the unissued shares of Series Common Stock, for series of Series Common Stock and, with respect to each such series, to fix the number of shares constituting such series and the designation of such series, the voting powers (if any) of the shares of such series, and the preferences and relative, participating, optional or other special rights, if any, and any qualifications, limitations or restrictions thereof, of the shares of such series. The powers, preferences and relative, participating, optional and other special rights of each series of Series Common Stock, and the qualifications, limitations or restrictions thereof, if any, may differ from those of any and all other series at any time outstanding.

SECTION 4. Rights of Holders of Common Stock and Preferred Stock**(a) Voting Rights****(i) Class A Common Stock**

(1) Subject to applicable law and the voting rights of any outstanding series of Preferred Stock and Series Common Stock, each of the shares of Class A Common Stock shall entitle the record holders thereof, voting together with the holders of Class B Common Stock as a single class, to one (1) vote per share only in the following circumstances and not otherwise:

(A) on a proposal to dissolve the Corporation or to adopt a plan of liquidation of the Corporation, and with respect to any matter to be voted on by the stockholders of the Corporation following adoption of a proposal to dissolve the Corporation or to adopt a plan of liquidation of the Corporation;

(B) on a proposal to sell, lease or exchange all or substantially all of the property and assets of the Corporation;

(C) on a proposal to adopt an agreement of merger or consolidation in which the Corporation is a constituent corporation, as a result of which the stockholders of the Corporation prior to the merger or consolidation would own less than sixty percent (60%) of the voting power or capital stock of the surviving corporation or consolidated entity (or the direct or indirect parent of the surviving corporation or consolidated entity) following the merger or consolidation; and

(D) with respect to any matter to be voted on by the stockholders of the Corporation during a period during which a dividend (or part of a dividend) in respect of the Class A Common Stock has been declared and remains unpaid following the payment date with respect to such dividend (or part thereof);

provided, however, that, with respect to any matter set forth in subclause (A), (B), (C), or (D) above, as to which the holders of the Class A Common Stock are entitled by law to vote as a separate class, such holders shall not be entitled to vote together thereon with the holders of the Class B Common Stock as a single class.

(2) Notwithstanding the foregoing provisions of this clause (i), except as otherwise required by law, the holders of the Class A Common Stock, as such, shall not be entitled to vote on any amendment to this Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock or Series Common Stock) that relates solely to the terms of one or more outstanding series of Preferred Stock or Series Common Stock if the holders of such affected series are entitled, either separately or together with the holders of one or

more other such series, to vote thereon pursuant to this Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock or Series Common Stock) or pursuant to the DGCL.

(3) As used in this clause (i), the phrase “on a proposal” shall refer to a proposal that is required by law, this Restated Certificate of Incorporation, the by-laws of the Corporation or pursuant to a determination by the Board of Directors, to be submitted to a vote of the stockholders of the Corporation. This clause (i) shall not limit or restrict in any way the right or ability of the Board of Directors to approve or adopt any resolutions or to take any action without a vote of the stockholders pursuant to applicable law, this Restated Certificate of Incorporation, or the by-laws of the Corporation.

(4) Except as required by law, or expressly provided for in the foregoing provisions of this clause (i), the holders of the Class A Common Stock shall have no voting rights whatsoever.

(ii) Class B Common Stock

Subject to applicable law, the rights of any outstanding series of Preferred Stock and Series Common Stock to vote as a separate class or series, and the rights of the Class A Common Stock set forth in clause (i) above, each of the shares of Class B Common Stock shall entitle the record holders thereof to one (1) vote per share on all matters on which stockholders shall have the right to vote; provided, however, that, except as otherwise required by law, the holders of the Class B Common Stock, as such, shall not be entitled to vote on any amendment to this Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock or Series Common Stock) that relates solely to the terms of one or more outstanding series of Preferred Stock or Series Common Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock or Series Common Stock) or pursuant to the DGCL.

(iii) Preferred Stock and Series Common Stock

Except as otherwise required by law, holders of a series of Preferred Stock or Series Common Stock, as such, shall be entitled only to such voting rights, if any, as shall expressly be granted to such holders by this Restated Certificate of Incorporation (including any Certificate of Designation relating to such series).

(iv) Issuance of Certain Stock; Listing on ASX

The Corporation shall not, without the affirmative vote of the holders of a majority of the combined voting power of the then outstanding shares of Voting Stock (as defined in Article V), take any of the following actions:

- (1) request removal of the Corporation’s full foreign listing from the Australian Stock Exchange (ASX); or

(2) issue any shares of Series Common Stock or Preferred Stock which entitle the holders thereof to more than one vote per share.

(v) Murdoch Agreement

The Corporation shall not, without the affirmative vote of a majority of the votes cast at a meeting of holders of Voting Stock (excluding any votes cast by the Murdoch Interests), during the term of the Murdoch Agreement agree to terminate, or in any material respect amend or waive any provision of, the Murdoch Agreement. For purposes of this Section 4(a)(v), (i) the term "Murdoch Agreement" means the Murdoch Interests Agreement, dated October 7, 2004, by and among the Corporation, Safeguard Nominees Pty Limited, Secure Nominees Pty Limited and K. Rupert Murdoch, and (ii) the term "Murdoch Interests" has the meaning set forth in the Murdoch Agreement. The transfer of any shares of Class B Common Stock which are subject to the Murdoch Agreement shall be governed by the restrictions on transfer set forth in the Murdoch Agreement during the term thereof.

(b) Dividends

(i) Subject to applicable law and the rights, if any, of the holders of any outstanding series of Preferred Stock or Series Common Stock, holders of Class A Common Stock and holders of Class B Common Stock shall be entitled to such dividends, if any, as may be declared thereon by the Board of Directors from time to time in its sole discretion out of assets or funds of the Corporation legally available therefor; provided, however, that the holders of Class A Common Stock and Class B Common Stock shall have such dividend rights set forth in clauses (ii) and (iii) below; and provided further, however, that if dividends are declared on the Class A Common Stock or the Class B Common Stock that are payable in shares of Common Stock, or securities convertible into, or exercisable or exchangeable for Common Stock, the dividends payable to the holders of Class A Common Stock shall be paid only in shares of Class A Common Stock (or securities convertible into, or exercisable or exchangeable for Class A Common Stock), the dividends payable to the holders of Class B Common Stock shall be paid only in shares of Class B Common Stock (or securities convertible into, or exercisable or exchangeable for Class B Common Stock), and such dividends shall be paid in the same number of shares (or fraction thereof) on a per share basis of the Class A Common Stock and Class B Common Stock, respectively (or securities convertible into, or exercisable or exchangeable for the same number of shares (or fraction thereof) on a per share basis of the Class A Common Stock and Class B Common Stock, respectively). In no event shall the shares of either Class A Common Stock or Class B Common Stock be split, divided, or combined unless the outstanding shares of the other class shall be proportionately split, divided or combined.

(ii) In the event that dividends are declared by the Board of Directors on the Class B Common Stock with respect to fiscal years 2005, 2006 or 2007 (regardless of the date on which such dividend shall be declared or paid), each share of Class A Common Stock shall confer on the holder thereof the right (which right shall rank pari passu with the right to dividends conferred on the Class B Common Stock) to receive:

(1) in the case of cash dividends, non-cumulative cash dividends equal to the greater of the following amounts:

(x) such amount as shall be declared by the Board of Directors on a share of the Class A Common Stock with respect to such fiscal year, which amount shall not exceed in the aggregate \$0.10 per share of Class A Common Stock with respect to such fiscal year; and

(y) an amount equal to 120% of the aggregate of all cash dividends declared with respect to such fiscal year on a share of Class B Common Stock;

(2) in the case of dividends payable in securities (other than in shares of Common Stock of the Corporation, or securities convertible into, or exercisable or exchangeable for, Common Stock of the Corporation) or property, like securities or property with a value (as determined in good faith by the Board of Directors in its sole discretion) equal to 120% of the aggregate value of all such dividends payable in such securities or property and declared with respect to such fiscal year on a share of Class B Common Stock; and

(3) in the case of dividends payable in shares of Common Stock of the Corporation, or securities convertible into, or exercisable or exchangeable for, Common Stock of the Corporation, such dividends as are provided for in Section 4(b)(i) hereof.

(iii) Any dividends declared by the Board of Directors on a share of Common Stock with respect to fiscal years 2008 and thereafter (regardless of the date on which such dividends shall be declared or paid) shall be declared in equal amounts with respect to each share of Class A Common Stock and Class B Common Stock (as determined in good faith by the Board of Directors in its sole discretion), provided that in the case of dividends payable in shares of Common Stock of the Corporation, or securities convertible into, or exercisable or exchangeable for, Common Stock of the Corporation, such dividends shall be paid as provided for in Section 4(b)(i) hereof.

(iv) As used in this Section 4(b), references to “fiscal years 2005, 2006 and 2007” and “fiscal year 2008” are to the fiscal years of the Corporation ending on or about June 30 of the year set forth. In the event of a change to the fiscal year of the Corporation, the references to specific fiscal years referred to in clauses (ii) and (iii) above shall be adjusted by the Board of Directors to provide for the dividend allocation referred to in clause (ii) above to apply with respect to three full (i.e., twelve month) fiscal years (assuming for this purpose that any allocation with respect to fiscal year 2005 is with respect to a full fiscal year), and for the dividend allocation referred to in clause (iii) above to apply with respect to all fiscal years following such three full fiscal year period. In the event of any change to the fiscal year of the Corporation that would result in a transition fiscal period that is less than 360 days, any dividends declared with respect to such transition fiscal year shall be deemed to refer to the twelve-month period ending on the last day of the fiscal year, as changed.

(c) Merger or Consolidation

In the event of any merger or consolidation of the Corporation with or into another entity (whether or not the Corporation is the surviving entity), the holders of the Class A Common Stock and the holders of the Class B Common Stock shall be entitled to receive substantially identical per share consideration as the per share consideration, if any, received by the holders of such other class; provided that, if such consideration shall consist in any part of voting securities (or of options, rights or warrants to purchase, or of securities convertible into or exercisable or exchangeable for, voting securities), then the Corporation may provide in the applicable merger or other agreement for the holders of shares of Class A Common Stock to receive, on a per share basis, either non-voting securities or securities with a vote comparable to the voting rights associated with the Class A Common Stock hereunder (or options, rights or warrants to purchase, or securities convertible into or exercisable or exchangeable for, non-voting securities or securities with a vote comparable to the voting rights associated with the Class A Common Stock). Any determination as to the matters described above shall be made in good faith by the Board of Directors in its sole discretion.

(d) Rights Upon Liquidation, Dissolution or Winding Up

In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, after distribution in full of the preferential and/or other amounts to be distributed to the holders of shares of any outstanding series of Preferred Stock or Series Common Stock, the holders of shares of Class A Common Stock, Class B Common Stock and, to the extent fixed by the Board of Directors with respect thereto, the Series Common Stock and Preferred Stock shall be entitled to receive all of the remaining assets of the Corporation available for distribution to its stockholders, ratably in proportion to the number of shares held by them (or, with respect to any series of the Series Common Stock or Preferred Stock, as so fixed by the Board of Directors).

(e) Transfer Restrictions Relating to Certain Offers

An Owner (as defined in Section 5(a) of this Article IV) of shares of Class A Common Stock or Class B Common Stock may not sell, exchange or otherwise transfer Ownership (as defined in Section 5(a) of this Article IV) of such shares of Class A Common Stock or Class B Common Stock to any person who has made an Offer (as defined herein) pursuant to such Offer unless such Offer relates to both the Class A Common Stock and the Class B Common Stock, or another Offer or Offers are contemporaneously made with such Offer by such person such that, between all the Offers, they relate to both the Class A Common Stock and the Class B Common Stock, and the terms and conditions of such Offer or Offers as they relate to each of the Class A Common Stock and the Class B Common Stock are Comparable (as defined herein). The Corporation shall, to the extent required by law, note on the certificates of its Common Stock that shares represented by such certificates are subject to the restrictions set forth in this Section 4(e).

For purposes of this Section 4(e), the following terms shall have the respective meanings specified herein:

(i) "Offer" shall mean an offer (or series of related offers) to acquire Ownership (as defined in Section 5(a) of this Article IV) of 15% or more of the outstanding shares of Class A Common Stock or Class B Common Stock (whether or not the offer is directed to one class or to both classes, and whether or not such offer is subject to an overall limit on the number of shares to

be acquired), but shall not include (A) any purchase or offer to purchase such shares on or through a national or foreign securities exchange or regulated securities association if such purchase or offer to purchase (x) would not constitute a "tender offer" under Section 14(d) of the Securities Exchange Act of 1934, as amended, and (y) does not result from the solicitation or arrangement for the solicitation of orders to sell Class A Common Stock or Class B Common Stock in anticipation of or in connection with the transaction, (B) any merger or consolidation in which the Corporation is a constituent corporation, any sale of all or substantially all of the assets of the Corporation, or any similar transaction pursuant, in any such case, to an agreement approved by the Board of Directors, or any tender or exchange offer or similar offer conducted pursuant to any such agreement or (C) any transaction privately negotiated with any stockholder or group of stockholders that would not constitute a "tender offer" under Section 14(d) of the Securities Exchange Act of 1934, as amended. No transaction directly with the Corporation or any of its subsidiaries shall be deemed to constitute an Offer.

(ii) "Comparable" shall mean that (x) the percentage of outstanding shares of Class A Common Stock and Class B Common Stock sought to be acquired pursuant to the Offer or Offers shall be substantially identical, (y) the principal terms of the Offer or Offers relating, among other things, to conditions for acceptance, relevant time periods, termination, revocation rights and terms of payment shall be substantially identical, and (z) the amount of cash and the value of each other type of consideration offered for a share of each such class shall be substantially identical. Any determination as to the matters described in subclauses (x), (y) and (z) above shall be made in good faith by the Board of Directors in its sole discretion.

(f) Subsidiary-Owned Shares

(i) Notwithstanding any other provisions of this Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock or Series Common Stock), except as otherwise required by law:

(A) no dividend shall be payable on any share of Class A Common Stock or Class B Common Stock of the Corporation that is owned of record by a Subsidiary of the Corporation, except in the case of dividends payable in shares of Common Stock of the Corporation, or securities convertible into, or exercisable or exchangeable for, Common Stock of the Corporation; for the purposes of this Subsection (f), any such share owned of record by a Subsidiary of the Corporation is referred to as a "Subsidiary-Owned Share" and "Subsidiary" shall have the meaning ascribed to such term in Section 5(a)(xviii) of this Article IV;

(B) no Subsidiary-Owned Share shall be entitled to vote or be counted for quorum purposes;

(C) no Subsidiary-Owned Share shall be treated as or deemed outstanding (x) for purposes of determining voting requirements, including under Articles IV, V, VII and VIII hereof, (y) for purposes of any applicable securities or regulatory laws, rules or regulations or (z) for any other purpose (including, without limitation, the provisions of Section 4(e) of this Article IV); provided, however, that each Subsidiary-Owned Share shall be entitled to (i) participate in any distribution of assets to holders of Class A Common Stock or Class B Common Stock, as the case may be, upon the dissolution, liquidation or winding up of the Corporation, and (ii) the receipt of

such consideration as may be payable to holders of Class A Common Stock or Class B Common Stock, as the case may be, in the event of any merger, consolidation, recapitalization or reclassification of the Corporation; and provided further that in the event that the shares of Class A Common Stock and Class B Common Stock shall be split, divided, or combined, the Subsidiary-Owned Shares shall be split, divided or combined in a like manner; and

(D) no holder of a Subsidiary-Owned Share may sell, exchange or otherwise transfer such Share pursuant to an Offer (as defined in Section 4(e) of Article IV hereof), regardless of the terms thereof.

(ii) Should a Subsidiary-Owned Share cease to be owned by a Subsidiary of the Corporation, the foregoing restrictions with respect to such Share shall immediately terminate and be of no further force or effect, except as otherwise required by law.

(iii) A Subsidiary-Owned Share shall not include any share of capital stock of the Corporation that (x) is held on behalf of an employee stock ownership or other plan for the benefit of employees, (y) is held in a fiduciary capacity on behalf of a person or entity which is not a Subsidiary of the Corporation; or (z) is acquired on or after January 1, 2005 by a Subsidiary of the Corporation from a person or entity that is not a Subsidiary of the Corporation.

SECTION 5. Regulatory Restrictions on Transfer; Redemption in Certain Circumstances

(a) Definitions. For purposes of this Section 5, the following terms shall have the respective meanings specified herein:

(i) "Beneficial Ownership" shall have the meaning set forth in Rule 13d-3 promulgated under the Securities Exchange Act of 1934, as amended, or any successor rule, and shall also include (to the extent not provided for in Rule 13d-3) (A) the possession of any direct or indirect interest in any security, including, without limitation, rights to a security deriving from the ownership of, or control over, depositary or similar receipts (such as CHES Depositary Interests relating to the CHES system in Australia) relating to such security, (B) the possession of any direct or indirect interest in any Encumbrance with respect to any security, and (C) the possession or exercise, directly or indirectly, of any rights of a security holder with respect to any security.

(xviii) "Subsidiary" shall mean any corporation, limited liability company, partnership or other entity in which a majority in voting power of the shares or equity interests entitled to vote generally in the election of directors (or equivalent management board) is owned, directly or indirectly, by the Corporation.

Without limitation as to the foregoing, the term "Transfer" shall include any of the following that results or would result in a change in Ownership: (A) a change in the capital structure of the Corporation, (B) a change in the relationship between two or more Persons, (C) the making of, or entering into, any Contract, including, without limitation, any proxy or nominee agreement, (D) any exercise or disposition of any option or warrant, or any event that causes any option or warrant not theretofore exercisable to become exercisable, (E) any disposition of any securities or rights convertible into or exercisable or exchangeable for such shares or any exercise of any such conversion, exercise or exchange right, and (F) Transfers of interests in other entities. The term "Transferee" shall mean any Person that becomes an Owner of any shares of capital stock of the Corporation as a result of a Transfer.

(xx) "Violation" shall mean (A) any violation of, or any inconsistency with, any Legal Requirement applicable to the Corporation or any Subsidiary, (B) the loss of, or failure to secure or secure the reinstatement of, any Permit held or required by the Corporation or any Subsidiary, (C) the creation, attachment or perfection of any Encumbrance with respect to any

(b) Requests for Information. If the Corporation has reason to believe that the Ownership, or proposed Ownership, of shares of capital stock of the Corporation by any stockholder, other Owner or Proposed Transferee could, either by itself or when taken together with the Ownership of any shares of capital stock of the Corporation by any other Person, result in any Violation, such stockholder, other Owner or Proposed Transferee, upon request of the Corporation, shall promptly furnish to the Corporation such information (including, without limitation, information with respect to citizenship, other Ownership interests and affiliations) as the Corporation may reasonably request to determine whether the Ownership of, or the exercise of any rights with respect to, shares of capital stock of the Corporation by such stockholder, other Owner or Proposed Transferee could result in any Violation.

(c) Rights of the Corporation. If (i) any stockholder, other Owner or Proposed Transferee from whom information is requested should fail to respond to such request pursuant to paragraph (b) of this Section 5 within the period of time (including any applicable extension thereof) determined by the Board of Directors, or (ii) whether or not any stockholder, other Owner or Proposed Transferee timely responds to any request for information pursuant to paragraph (b) of this Section 5, the Board of Directors shall conclude that effecting, permitting or honoring any Transfer or the Ownership of any shares of capital stock of the Corporation, by any such stockholder, other Owner or Proposed Transferee, could result in any Violation, or that it is in the interest of the Corporation to prevent or cure any such Violation or any situation which could result in any such Violation, or mitigate the effects of any such Violation or any situation that could result in any such Violation, then the Corporation may (A) refuse to permit any Transfer of record of shares of capital stock of the Corporation that involves a Transfer of such shares to, or Ownership of such shares by, any Disqualified Person, (B) refuse to honor any such Transfer of record effected or purported to have been effected, and in such case any such Transfer of record shall be deemed to have been void ab initio, (C) suspend those rights of stock ownership the exercise of which could result in any Violation, (D) redeem such shares in accordance with paragraph (d) of this Section 5, and/or (E) take all such other action as the Corporation may deem necessary or advisable in furtherance of the provisions of this Section 5, including, without limitation, exercising any and all appropriate remedies, at law or in equity, in any court of competent jurisdiction, against any Disqualified Person. Any such refusal of Transfer or suspension of rights pursuant to subclauses (A), (B) and (C) respectively, of the immediately preceding sentence shall remain in effect until the requested information has been received and the Board of Directors has determined that such Transfer, or the exercise of any such suspended rights, as the case may be, would not constitute a Violation.

(d) Redemption by the Corporation. Notwithstanding any other provision of this Restated Certificate of Incorporation to the contrary, but subject to the provisions of any resolution or resolutions of the Board of Directors adopted pursuant to this Article IV creating any series of

Series Common Stock or any series of Preferred Stock, outstanding shares of Common Stock, Series Common Stock or Preferred Stock shall always be subject to redemption by the Corporation, by action of the Board of Directors, if in the judgment of the Board of Directors such action should be taken with respect to any shares of capital stock of the Corporation of which any Disqualified Person is the stockholder, other Owner or Proposed Transferee. The terms and conditions of such redemption shall be as follows:

(1) the redemption price of the shares to be redeemed pursuant to this paragraph (d) shall be equal to the Fair Market Value of such shares;

(2) the redemption price of such shares may be paid in cash, Redemption Securities or any combination thereof;

(3) if less than all such shares are to be redeemed, the shares to be redeemed shall be selected in such manner as shall be determined by the Board of Directors, which may include selection first of the most recently purchased shares thereof, selection by lot or selection in any other manner determined by the Board of Directors;

(4) at least 30 days' written notice of the Redemption Date shall be given to the record holders of the shares selected to be redeemed (unless waived in writing by any such holder); provided that the Redemption Date may be the date on which written notice shall be given to record holders if the cash or Redemption Securities necessary to effect the redemption shall have been deposited in trust for the benefit of such record holders and subject to immediate withdrawal by them upon surrender of the stock certificates for their shares to be redeemed;

(5) from and after the Redemption Date, any and all rights of whatever nature in respect of the shares selected for redemption (including without limitation any rights to vote or participate in dividends declared on stock of the same class or series as such shares), shall cease and terminate and the record holders of such shares shall thenceforth be entitled only to receive the cash or Redemption Securities payable upon redemption; and

(6) such other terms and conditions as the Board of Directors shall determine.

(e) Legends. The Corporation shall, to the extent required by law, note on the certificates of its capital stock that the shares represented by such certificates are subject to the restrictions set forth in this Section 5.

ARTICLE V

SECTION 1. The business and affairs of the Corporation shall be managed by, or under the direction of, the Board of Directors. Except as otherwise provided for or fixed pursuant to the provisions of this Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock or Series Common Stock) relating to the rights of the holders of any series of Preferred Stock or Series Common Stock to elect additional directors, the total number of directors constituting the entire Board of Directors shall be not less than three (3), with the then-authorized number of directors being fixed from time to time exclusively by the Board of Directors.

The Board of Directors (other than those directors elected by the holders of any series of Preferred Stock (the "Preferred Stock Directors") or by holders of any series of Series Common Stock (the "Series Common Stock Directors")) shall be divided into three classes, as nearly equal in number as possible, designated Class I, Class II and Class III. Class I directors shall initially serve until the third annual meeting of stockholders following the effectiveness of this Restated Certificate of Incorporation and until the election and qualification of their respective successors in office; Class II directors shall initially serve until the second annual meeting of stockholders following the effectiveness of this Restated Certificate of Incorporation and until the election and qualification of their respective successors in office; and Class III directors shall initially serve until the first annual meeting of stockholders following the effectiveness of this Restated Certificate of Incorporation and until the election and qualification of their respective successors in office. Commencing with the first annual meeting of stockholders following the effectiveness of this Restated Certificate of Incorporation, at each annual meeting of stockholders, successors to the directors of the class the term of which shall then expire shall be elected to hold office for a term expiring at the third succeeding annual meeting of stockholders and until the election and qualification of their respective successors in office. In case of any increase or decrease, from time to time, in the number of directors (other than Preferred Stock Directors and the Series Common Stock Directors), the number of directors in each class shall be apportioned as nearly equally as possible.

Subject to the rights of the holders of any one or more series of Preferred Stock or Series Common Stock then outstanding, newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board of Directors resulting from death, resignation, retirement, disqualification, removal from office or other cause shall be filled solely by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board of Directors. Any director so chosen shall hold office until the next election of the class for which such director shall have been chosen and until his or her successor shall be elected and qualified. No decrease in the number of directors shall shorten the term of any incumbent director.

Except for such additional directors, if any, as are elected by the holders of any series of Preferred Stock or Series Common Stock, any director, or the entire Board of Directors, may be removed from office at any time by the affirmative vote of at least a majority of the total voting power of the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors ("Voting Stock"), voting together as a single class. At any time that there shall be three or fewer stockholders of record, directors may be removed with or without cause.

During any period when the holders of any series of Preferred Stock or Series Common Stock have the right to elect additional directors, then upon commencement and for the duration of the period during which such right continues: (i) the then otherwise total authorized number of directors of the Corporation shall automatically be increased by such specified number of directors, and the holders of such Preferred Stock or Series Common Stock, as applicable, shall be entitled to elect the additional directors so provided for or fixed pursuant to said provisions, and (ii) each such additional director shall serve until the next annual meeting of stockholders and until such director's successor shall have been duly elected and qualified, unless such director's right to hold such office terminates earlier pursuant to said provisions, subject in all such cases to his or her earlier death,

disqualification, resignation or removal. Except as otherwise provided by the Board of Directors in the resolution or resolutions establishing such series, whenever the holders of any series of Preferred Stock or Series Common Stock having such right to elect additional directors are divested of such right pursuant to the provisions of such stock, the terms of office of all such additional directors elected by the holders of such stock, or elected to fill any vacancies resulting from the death, resignation, disqualification or removal of such additional directors, shall forthwith terminate and the total authorized number of directors of the Corporation shall be reduced accordingly.

Notwithstanding the foregoing, whenever the holders of outstanding shares of one or more series of Preferred Stock or Series Common Stock issued by the Corporation shall have the right, voting separately as a series or as a separate class with one or more such other series, to elect directors at an annual or special meeting of stockholders, the election, term of office, removal, filling of vacancies, and other features of such directorship shall be governed by the terms of this Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock or Series of Common Stock) applicable thereto.

SECTION 2. The election of directors need not be by written ballot.

SECTION 3. Advance notice of nominations for the election of directors shall be given in the manner and to the extent provided in the By-laws of the Corporation.

ARTICLE VI

Subject to the rights of the holders of any series of Preferred Stock or Series Common Stock, at any time that there shall be more than three stockholders of record, any action required or permitted to be taken by the stockholders of the Corporation must be effected at a duly called annual or special meeting of stockholders of the Corporation and may not be effected by any consent in writing by such stockholders. Except as otherwise required by law and subject to the rights of the holders of any series of Preferred Stock or Series Common Stock, special meetings of stockholders of the Corporation (a) may be called by the Board of Directors pursuant to a resolution approved by a majority of the entire Board of Directors or as otherwise provided in the By-laws of the Corporation and (b) shall be called by the Secretary of the Corporation upon the written request of holders of record of not less than 20% of the outstanding shares of Class B Common Stock, proposing a proper matter for stockholder action under the DGCL at such special meeting, provided that (i) no such special meeting of stockholders shall be called pursuant to this clause (b) if the written request by such holders is received less than 135 days prior to the first anniversary of the date of the preceding annual meeting of stockholders of the Corporation and (ii) any special meeting called pursuant to this clause (b) shall be held not later than 100 days following receipt of the written request by such holders, on such date and at such time and place as determined by the Board of Directors.

ARTICLE VII

In furtherance and not in limitation of the powers conferred upon it by law, the Board of Directors is expressly authorized to adopt, repeal, alter or amend the By-laws of the Corporation by the vote of a majority of the entire Board of Directors or such greater vote as shall be specified in

the By-laws of the Corporation. In addition to any requirements of law and any other provision of this Restated Certificate of Incorporation or any resolution or resolutions of the Board of Directors adopted pursuant to Article IV of this Restated Certificate of Incorporation (and notwithstanding the fact that a lesser percentage may be specified by law, this Restated Certificate of Incorporation or any such resolution or resolutions), the affirmative vote of the holders of sixty-five percent (65%) or more of the combined voting power of the then outstanding shares of Voting Stock, voting together as a single class, shall be required for stockholders to adopt, amend, alter or repeal any provision of the By-laws of the Corporation.

ARTICLE VIII

In addition to any requirements of law and any other provisions of this Restated Certificate of Incorporation or any resolution or resolutions of the Board of Directors adopted pursuant to Article IV of this Restated Certificate of Incorporation (and notwithstanding the fact that a lesser percentage may be specified by law, this Restated Certificate of Incorporation or any such resolution or resolutions), the affirmative vote of the holders of sixty-five percent (65%) or more of the combined voting power of the then outstanding shares of Voting Stock, voting together as a single class, shall be required to amend, alter or repeal, or adopt any provision inconsistent with, Section 5 of Article IV, Article V, Article VII, this Article VIII, or Article IX, of this Restated Certificate of Incorporation. Subject to the foregoing provisions of this Article VIII, the Corporation reserves the right to amend, alter or repeal any provision contained in this Restated Certificate of Incorporation, in the manner now or hereafter prescribed by statute, and all rights conferred upon stockholders herein are subject to this reservation.

ARTICLE IX

A director of the Corporation shall not be liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as the same exists or may hereafter be amended. Any amendment, modification or repeal of the foregoing sentence shall not adversely affect any right or protection of a director of the corporation hereunder in respect of any act or omission occurring prior to the time of such amendment, modification or repeal.

ARTICLE X

The Corporation hereby elects not to be governed by Section 203 of the DGCL.

This Restated Certificate of Incorporation shall become effective upon filing pursuant to the DGCL.

IN WITNESS WHEREOF, I, Arthur M. Siskind, Senior Executive Vice President and Group General Counsel of NEWS CORPORATION, INC. have executed this Restated Certificate of Incorporation as of the 7th day of October, 2004, and DO HEREBY CERTIFY under the penalties of perjury that the facts stated in this Restated Certificate of Incorporation are true.

Exhibit 3.3

**CERTIFICATE OF DESIGNATION, PREFERENCES AND
RIGHTS OF SERIES A JUNIOR PARTICIPATING PREFERRED STOCK**

of

NEWS CORPORATION, INC.

**Pursuant to Section 151 of the General Corporation Law
of the State of Delaware**

We, the undersigned, Arthur Siskind, Senior Executive Vice-President, and David F. Devoe, Senior Executive Vice-President, of News Corporation, Inc., a Delaware corporation (hereinafter called the "Corporation"), pursuant to the provisions of Sections 103 and 151 of the General Corporation Law of the State of Delaware, do hereby make this Certificate of Designation and do hereby state and certify that pursuant to the authority expressly vested in the Board of Directors of the Corporation by the Amended and Restated Certificate of Incorporation, the Board of Directors duly adopted the following resolutions:

RESOLVED, that, pursuant to Section 1(a) of the Amended and Restated Certificate of Incorporation (which authorizes 100,000,000 shares of preferred stock, \$0.01 par value per share ("Preferred Stock") of which none have already been designated), the Board of Directors hereby fixes the powers, designations, preferences and relative, participating, optional and other special rights, and the qualifications, limitations and restrictions, of a series of Preferred Stock;

RESOLVED, that pursuant to the authority vested in the Board of Directors of this Corporation in accordance with the provisions of its Amended and Restated Certificate of Incorporation, a series of Preferred Stock of the Corporation be and it hereby is created, and that the designation and amount thereof and the voting powers, preferences and relative, participating, optional and other special rights of the shares of such series, and the qualifications, limitations or restrictions thereof are as follows:

Section 1. Designation and Amount. The shares of such series shall be designated as "Series A Junior Participating Preferred Stock" and the number of shares constituting such series shall be 9,000,000.

Section 2. Dividends and Distributions.

(A) Subject to the prior and superior rights of the holders of any shares of any series of Preferred Stock ranking prior and superior to the shares of Series A Junior Participating Preferred Stock with respect to dividends, the holders of shares of Series A Junior Participating Preferred Stock shall be entitled to receive, when, as and if declared by the Board of Directors out of funds legally available for the purpose, quarterly dividends payable in cash on the 1st day of March, June, September and December in

each year (each such date being referred to herein as a "Quarterly Dividend Payment Date"), commencing on the first Quarterly Dividend Payment Date after the first issuance of a share or fraction of a share of Series A Junior Participating Preferred Stock, in an amount per share (rounded to the nearest cent) equal to the greater of (a) \$0.10 or (b) subject to the provision for adjustment hereinafter set forth, 1,000 times the aggregate per share amount of all cash dividends, and 1,000 times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions other than a dividend payable in shares of Common Stock or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Class B Common Stock of the Corporation since the immediately preceding Quarterly Dividend Payment Date, or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Series A Junior Participating Preferred Stock. In the event the Corporation shall at any time after November 8, 2004 (the "Rights Declaration Date") (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the amount to which holders of shares of Series A Junior Participating Preferred Stock were entitled immediately prior to such event under clause (b) of the preceding sentence shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) The Corporation shall declare a dividend or distribution on the Series A Junior Participating Preferred Stock as provided in Paragraph (A) above immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock); provided that, in the event no dividend or distribution shall have been declared on the Common Stock during the period between any Quarterly Dividend Payment Date and the next subsequent Quarterly Dividend Payment Date, a dividend of \$0.10 per share on the Series A Junior Participating Preferred Stock shall nevertheless be payable on such subsequent Quarterly Dividend Payment Date.

(C) Dividends shall begin to accrue and be cumulative on outstanding shares of Series A Junior Participating Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares of Series A Junior Participating Preferred Stock, unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series A Junior Participating Preferred Stock entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Series A Junior Participating Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares

at the time outstanding. The Board of Directors may fix a record date for the determination of holders of shares of Series A Junior Participating Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be no more than 30 days prior to the date fixed for the payment thereof.

Section 3. Voting Rights. The holders of shares of Series A Junior Participating Preferred Stock shall have the following voting rights:

(A) Subject to the provision for adjustment hereinafter set forth, each share of Series A Junior Participating Preferred Stock shall entitle the holder thereof to one (1) vote on all matters submitted to a vote of the stockholders of the Corporation. In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the number of votes per share to which holders of shares of Series A Junior Participating Preferred Stock were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) Except as otherwise provided herein or by law, the holders of shares of Series A Junior Participating Preferred Stock and the holders of shares of Common Stock shall vote together as one class on all matters submitted to a vote of stockholders of the Corporation.

(C) (i) If at any time dividends on any Series A Junior Participating Preferred Stock shall be in arrears in an amount equal to six (6) quarterly dividends thereon, the occurrence of such contingency shall mark the beginning of a period (herein called a "default period") which shall extend until such time when all accrued and unpaid dividends for all previous quarterly dividend periods and for the current quarterly dividend period on all shares of Series A Junior Participating Preferred Stock then outstanding shall have been declared and paid or set apart for payment. During each default period, all holders of Preferred Stock (including holders of the Series A Junior Participating Preferred Stock) with dividends in arrears in an amount equal to six (6) quarterly dividends thereon, voting as a class, irrespective of series, shall have the right to elect two (2) directors.

(ii) During any default period, such voting right of the holders of Series A Junior Participating Preferred Stock may be exercised initially at a special meeting called pursuant to subparagraph (iii) of this Section 3(C) or at any annual meeting of stockholders, and thereafter at annual meetings of stockholders, provided that neither such voting right nor the right of the holders of any other series of Preferred Stock, if any, to increase, in certain cases, the authorized number of directors shall be exercised unless the holders of ten percent (10%) in number of shares of Preferred Stock outstanding shall be present in person or by proxy. The

absence of a quorum of the holders of Common Stock shall not affect the exercise by the holders of Preferred Stock of such voting right. At any meeting at which the holders of Preferred Stock shall exercise such voting right initially during an existing default period, they shall have the right, voting as a class, to elect directors to fill such vacancies, if any, in the Board of Directors as may then exist up to two (2) directors or, if such right is exercised at an annual meeting, to elect two (2) directors. If the number which may be so elected at any special meeting does not amount to the required number, the holders of the Preferred Stock shall have the right to make such increase in the number of directors as shall be necessary to permit the election by them of the required number. After the holders of the Preferred Stock shall have exercised their right to elect directors in any default period and during the continuance of such period, the number of directors shall not be increased or decreased except by vote of the holders of Preferred Stock as herein provided or pursuant to the rights of any equity securities ranking senior to or pari passu with the Series A Junior Participating Preferred Stock.

(iii) Unless the holders of Preferred Stock shall, during an existing default period, have previously exercised their right to elect directors, the Board of Directors may order, or any stockholder or stockholders owning in the aggregate not less than ten percent (10%) of the total number of shares of Preferred Stock outstanding, irrespective of series, may request, the calling of a special meeting of the holders of Preferred Stock, which meeting shall thereupon be called by the President, a Vice-President or the Secretary of the Corporation. Notice of such meeting and of any annual meeting at which holders of Preferred Stock are entitled to vote pursuant to this Paragraph (C)(iii) shall be given to each holder of record of Preferred Stock by mailing a copy of such notice to him at his last address as the same appears on the books of the Corporation. Such meeting shall be called for a time not earlier than 20 days and not later than 60 days after such order or request or in default of the calling of such meeting within 60 days after such order or request, such meeting may be called on similar notice by any stockholder or stockholders owning in the aggregate not less than ten percent (10%) of the total number of shares of Preferred Stock outstanding. Notwithstanding the provisions of this Paragraph (C)(iii), no such special meeting shall be called during the period within 60 days immediately preceding the date fixed for the next annual meeting of the stockholders.

(iv) In any default period, the holders of Common Stock, and other classes of stock of the Corporation if applicable, shall continue to be entitled to elect the whole number of directors until the holders of Preferred Stock shall have exercised their right to elect two (2) directors voting as a class, after the exercise of which right (x) the directors so elected by the holders of Preferred Stock shall continue in office until their successors shall have been elected by such holders or until the expiration

of the default period, and (y) any vacancy in the Board of Directors may (except as provided in Paragraph (C)(ii) of this Section 3) be filled by vote of a majority of the remaining directors theretofore elected by the holders of the class of stock which elected the director whose office shall have become vacant. References in this Paragraph (C) to directors elected by the holders of a particular class of stock shall include directors elected by such directors to fill vacancies as provided in clause (y) of the foregoing sentence.

(v) Immediately upon the expiration of a default period, (x) the right of the holders of Preferred Stock as a class to elect directors shall cease, (y) the term of any directors elected by the holders of Preferred Stock as a class shall terminate, and (z) the number of directors shall be such number as may be provided for in the certificate of incorporation or by-laws irrespective of any increase made pursuant to the provisions of Paragraph (C)(ii) of this Section 3 (such number being subject, however, to change thereafter in any manner provided by law or in the certificate of incorporation or by-laws). Any vacancies in the Board of Directors effected by the provisions of clauses (y) and (z) in the preceding sentence may be filled by a majority of the remaining directors.

(D) Except as set forth herein, holders of Series A Junior Participating Preferred Stock shall have no special voting rights and their consent shall not be required (except to the extent they are entitled to vote with holders of Common Stock as set forth herein) for taking any corporate action.

Section 4. Certain Restrictions.

(A) Whenever quarterly dividends or other dividends or distributions payable on the Series A Junior Participating Preferred Stock as provided in Section 2 are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not declared, on shares of Series A Junior Participating Preferred Stock outstanding shall have been paid in full, the Corporation shall not

(i) declare or pay dividends on, make any other distributions on, or redeem or purchase or otherwise acquire for consideration any shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A Junior Participating Preferred Stock;

(ii) declare or pay dividends on or make any other distributions on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Junior Participating Preferred Stock, except dividends paid ratably on the Series A Junior Participating Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled;

(iii) redeem or purchase or otherwise acquire for consideration shares of any stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Junior Participating Preferred Stock, provided that the Corporation may at any time redeem, purchase or otherwise acquire shares of any such parity stock in exchange for shares of any stock of the Corporation ranking junior (either as to dividends or upon dissolution, liquidation or winding up) to the Series A Junior Participating Preferred Stock; or

(iv) purchase or otherwise acquire for consideration any shares of Series A Junior Participating Preferred Stock, or any shares of stock ranking on a parity with the Series A Junior Participating Preferred Stock, except in accordance with a purchase offer made in writing or by publication (as determined by the Board of Directors) to all holders of such shares upon such terms as the Board of Directors, after consideration of the respective annual dividend rates and other relative rights and preferences of the respective series and classes, shall determine in good faith will result in fair and equitable treatment among the respective series or classes.

(B) The Corporation shall not permit any subsidiary of the Corporation to purchase or otherwise acquire for consideration any shares of stock of the Corporation unless the Corporation could, under Paragraph (A) of this Section 4, purchase or otherwise acquire such shares at such time and in such manner.

Section 5. Reacquired Shares. Any shares of Series A Junior Participating Preferred Stock purchased or otherwise acquired by the Corporation in any manner whatsoever shall be retired and cancelled promptly after the acquisition thereof. All such shares shall upon their cancellation become authorized but unissued shares of Preferred Stock and may be reissued as part of a new series of Preferred Stock to be created by resolution or resolutions of the Board of Directors, subject to the conditions and restrictions on issuance set forth herein.

Section 6. Liquidation, Dissolution or Winding Up.

(A) Upon any liquidation (voluntary or otherwise), dissolution or winding up of the Corporation, no distribution shall be made to the holders of shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A Junior Participating Preferred Stock unless, prior thereto, the holders of shares of Series A Junior Participating Preferred Stock shall have received an amount equal to \$1000 per share of Series A Participating Preferred Stock, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not declared, to the date of such payment (the "Series A Liquidation Preference"). Following the payment of the full amount of the Series A Liquidation Preference, no additional distributions shall be made to the holders of shares of Series A Junior Participating Preferred Stock unless, prior thereto, the holders of shares of Common Stock shall have received an amount per share (the "Common Adjustment") equal to the quotient obtained by dividing (i) the

Series A Liquidation Preference by (ii) 1,000 (as appropriately adjusted as set forth in subparagraph (C) below to reflect such events as stock splits, stock dividends and recapitalizations with respect to the Common Stock) (such number in clause (ii), the "Adjustment Number"). Following the payment of the full amount of the Series A Liquidation Preference and the Common Adjustment in respect of all outstanding shares of Series A Junior Participating Preferred Stock and Common Stock, respectively, holders of Series A Junior Participating Preferred Stock and holders of shares of Common Stock shall receive their ratable and proportionate share of the remaining assets to be distributed in the ratio of the Adjustment Number to 1 with respect to such Preferred Stock and Common Stock, on a per share basis, respectively.

(B) In the event, however, that there are not sufficient assets available to permit payment in full of the Series A Liquidation Preference and the liquidation preferences of all other series of preferred stock, if any, which rank on a parity with the Series A Junior Participating Preferred Stock, then such remaining assets shall be distributed ratably to the holders of such parity shares in proportion to their respective liquidation preferences. In the event, however, that there are not sufficient assets available to permit payment in full of the Common Adjustment, then such remaining assets shall be distributed ratably to the holders of Common Stock.

(C) In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the Adjustment Number in effect immediately prior to such event shall be adjusted by multiplying such Adjustment Number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Section 7. Consolidation, Merger, etc. In case the Corporation shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are exchanged for or changed into other stock or securities, cash and/or any other property, then in any such case the shares of Series A Junior Participating Preferred Stock shall at the same time be similarly exchanged or changed in an amount per share (subject to the provision for adjustment hereinafter set forth) equal to 1,000 times the aggregate amount of stock, securities, cash and/or any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is changed or exchanged. In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of shares of Series A Junior Participating Preferred Stock shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Section 8. No Redemption. The shares of Series A Junior Participating Preferred Stock shall not be redeemable.

Section 9. Ranking. The Series A Junior Participating Preferred Stock shall rank junior to all other series of the Corporation's Preferred Stock as to the payment of dividends and the distribution of assets, unless the terms of any such series shall provide otherwise.

Section 10. Amendment. At any time when any shares of Series A Junior Participating Preferred Stock are outstanding, the Amended and Restated Certificate of Incorporation of the Corporation shall not be amended in any manner which would materially alter or change the powers, preferences or special rights of the Series A Junior Participating Preferred Stock so as to affect them adversely without the affirmative vote of the holders of a majority or more of the outstanding shares of Series A Junior Participating Preferred Stock, voting separately as a class.

Section 11. Fractional Shares. Series A Junior Participating Preferred Stock may be issued in fractions of a share which shall entitle the holder, in proportion to such holder's fractional shares, to exercise voting rights, receive dividends, participate in distributions and to have the benefit of all other rights of holders of Series A Junior Participating Preferred Stock.

Section 12. Certain Definitions. As used herein with respect to the Series A Junior Participating Preferred Stock, the following terms shall have the following meanings:

(A) The term "Class A Common Stock" means the class of common stock designated as the Class A common stock, par value \$0.01 per share, of the Corporation at the date hereof or any other class of stock resulting from successive changes or reclassification of the common stock.

(B) The term "Class B Common Stock" means the class of common stock designated as the Class B common stock, par value \$0.01 per share, of the Corporation at the date hereof or any other class of stock resulting from successive changes or reclassification of the common stock.

(C) The term "Common Stock" means the common stock, par value \$0.01 per share, of the Corporation at the date hereof or any other stock resulting from successive changes or reclassifications of the common stock, and includes both the Class A Common Stock and the Class B Common Stock.

IN WITNESS WHEREOF, we have executed and subscribed this Certificate and do affirm the foregoing as true under the penalties of perjury this 8th day of November, 2004.

AMENDED AND RESTATED BY-LAWS

ARTICLE I - STOCKHOLDERS

Section 1. Annual Meeting.

(a) The annual meeting of the stockholders for the purpose of electing directors and for the transaction of such other business as may properly come before the meeting in accordance with these By-laws, shall be held at such place, if any, on such date, and at such time as may be fixed by the Board of Directors (hereinafter the "Board") and stated in the notice of meeting.

Nominations of persons for election to the Board and the proposal of business to be transacted by the stockholders may be made at an annual meeting of stockholders (i) pursuant to the Corporation's notice with respect to such meeting (or any supplement thereto), (ii) by or at the direction of the Board or (iii) by any stockholder of record of the Corporation who was a stockholder of record at the time of the giving of the notice provided for in the following paragraph, who is entitled to vote at the meeting and who has complied with the notice procedures set forth in this section.

(b) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (iii) of Section 1(a) of this ARTICLE I, (i) the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation; (ii) such business must be a proper matter for stockholder action under the General Corporation Law of the State of Delaware (the "DGCL"); (iii) if the stockholder, or the beneficial owner on whose behalf any such proposal or nomination is made, has provided the Corporation with a Solicitation Notice, as that term is defined in subclause (3)(dd) of this Section 1(b), such stockholder or beneficial owner must, in the case of a proposal, have delivered a proxy statement and form of proxy to holders of at least the percentage of the Corporation's voting shares required under applicable law to carry any such proposal, or, in the case of a nomination or nominations, have delivered a proxy statement and form of proxy to holders of a percentage of the Corporation's voting shares reasonably believed by such stockholder or beneficial holder to be sufficient to elect the nominee or nominees proposed to be nominated by such stockholder, and must, in either case, have included in such materials the Solicitation Notice; and (iv) if no Solicitation Notice relating thereto has been timely provided pursuant to this section, the stockholder or beneficial owner proposing such business or nomination must not have solicited a number of proxies sufficient to have required the delivery of such a Solicitation Notice under this section. To be timely, a stockholder's notice shall be delivered to the Secretary of the Corporation at the principal executive offices of the Corporation not less than 45 or more than 75 days prior to the first anniversary (the "Anniversary") of the date on which the Corporation first mailed its proxy materials for the preceding year's annual meeting of stockholders; provided, however, that if the date of the annual meeting is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not later than the close of business on the later of (A) the 90th day prior to such annual meeting or (B) the 10th day following

the day on which public announcement of the date of such meeting is first made. For purposes of the first annual meeting held after January 1, 2005, the Anniversary shall be deemed to be September 16, 2005. In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth (1) as to each person whom the stockholder proposes to nominate for election or reelection as a director all information relating to such person as would be required to be disclosed in solicitations of proxies for the election of such nominees as directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and such person's written consent to serve as a director if elected; (2) as to any other business that the stockholder proposes to bring before the meeting, a brief description of such business, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend the By-laws of the Corporation, the language of the proposed amendment); and (3) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (aa) the name and address of such stockholder, as they appear on the Corporation's books, and of such beneficial owner, (bb) the class and number of shares of the Corporation that are owned beneficially and of record by such stockholder and such beneficial owner, (cc) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such business or nomination, and (dd) whether either such stockholder or beneficial owner intends to deliver a proxy statement and form of proxy to holders of, in the case of a proposal, at least the percentage of the Corporation's voting shares required under applicable law to carry the proposal or, in the case of a nomination or nominations, a sufficient number of holders of the Corporation's voting shares to elect such nominee or nominees (an affirmative statement of such intent, a "Solicitation Notice"). The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation.

Notwithstanding anything in the second sentence of the preceding paragraph of this Section 1(b) to the contrary, in the event that the number of directors to be elected to the Board is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board made by the Corporation at least 55 days prior to the Anniversary, a stockholder's notice required by this By-law shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the 10th day following the day on which such public announcement is first made by the Corporation. Only persons nominated in accordance with the procedures set forth in this Section 1(b) shall be eligible to serve as directors and only such business shall be conducted at an annual meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 1(b). Except as otherwise provided by law, the chair of the meeting shall have the power and the duty to determine whether a nomination or any business proposed to be brought before the meeting has been made in accordance with the procedures set forth in these By-laws and, if any proposed nomination or business is not in compliance with these By-laws, to declare that such defective proposed business or nomination shall not be presented for stockholder action at the meeting and shall be disregarded. Notwithstanding the foregoing provisions of this Section 1(b),

unless otherwise required by law, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of the Corporation to present a nomination or proposed business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of this Section 1(b), to be considered a qualified representative of the stockholder, a person must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of stockholders.

For purposes of this section, “public announcement” shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or a comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act. Notwithstanding the foregoing provisions of this Section 1(b), a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to matters set forth in this Section 1(b). The foregoing notice requirements of this Section 1(b) shall be deemed satisfied by a stockholder if the stockholder has notified the Corporation of his or her intention to present a proposal or nomination at an annual meeting in compliance with applicable rules and regulations promulgated under the Exchange Act and such stockholder’s proposal or nomination has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for such annual meeting, and nothing in this Section 1(b) shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Corporation’s proxy statement pursuant to Rule 14a-8 under the Exchange Act. The provisions of this Section 1(b) shall be subject to the rights of the holders of any one or more outstanding series of Series Common Stock or Preferred Stock, voting separately by class or by series, as applicable, to elect directors pursuant to the provisions of the Certificate of Incorporation of the Corporation, as may be amended or restated from time to time, including any and all Certificates of Designations with respect to any Series Common Stock or Preferred Stock of the Corporation (hereinafter the “Certificate of Incorporation”).

Section 2. Special Meetings.

Except as otherwise required by law or as provided in the Certificate of Incorporation, special meetings of stockholders of the Corporation may be called only by the Board pursuant to a resolution approved by a majority of the total number of directors then constituting the entire Board, without regard to any vacancies on the Board (the “entire Board”), or by the Chairman or a Vice Chairman. The foregoing notwithstanding, whenever the holders of any one or more outstanding series of Series Common Stock or Preferred Stock shall have the right, voting separately by class or by series, as applicable, to elect directors at any annual meeting or special meeting of stockholders, the calling of special meetings of the holders of such class or series shall be subject to the terms of the provisions of the Certificate of Incorporation with respect to such series of Series Common Stock or Preferred Stock. The Board may postpone or reschedule any previously scheduled special meeting.

Only such business shall be conducted at a special meeting as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (a) by or at the direction of the Board or (b) by any stockholder of record of the Corporation, if (i) the stockholder's notice required by the first paragraph of Section 1(b) of ARTICLE I shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the later of the 90th day prior to such special meeting or the 10th day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board to be elected at such meeting, (ii) the procedures provided for in clauses (ii), (iii) and (iv) of the first paragraph of Section 1(b) of ARTICLE I and the fifth and sixth sentences of such paragraph shall have been complied with, and (iii) such stockholder is stockholder of record at the time of giving of such stockholder's notice and is entitled to vote at the meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

Section 3. Notice of Meetings.

Except as otherwise provided herein or required by applicable law (meaning, here and hereinafter, as required from time to time by the DGCL) or the Certificate of Incorporation, notice of the place, if any, date, and time of all meetings of the stockholders and, in the case of a special meeting, the purpose or purposes for which such meeting is called, shall be given by mailing, postage prepaid, a copy of such notice addressed to each stockholder of the Corporation entitled to vote at such meeting at his or her address as recorded on the books of the Corporation, not less than 10 nor more than 60 days before the date on which the meeting is to be held, unless otherwise required by law.

When a meeting is adjourned to another place, date or time, notice need not be given of the adjourned meeting if the place, date and time thereof are announced at the meeting at which the adjournment is taken; provided, however, that if the date of any adjourned meeting is more than 30 days after the date for which the meeting was originally noticed, or if a new record date is fixed for the adjourned meeting, notice of the place, date and time of the adjourned meeting shall be given in conformity herewith. At any adjourned meeting, any business may be transacted which might have been transacted at the original meeting.

Section 4. Quorum.

At any meeting of the stockholders, the holders of a majority in voting power of all of the outstanding shares of the stock entitled to vote at the meeting, present in person or represented by proxy, shall constitute a quorum for all purposes, unless or except to the extent that the presence of a larger number may be required by law or by the Certificate of Incorporation. Where a separate vote by a class or classes is required by law or by the Certificate of Incorporation, a majority in voting power of the outstanding shares of such class or classes present in person or represented by proxy shall constitute a quorum entitled to take action with respect to that vote on that matter, unless otherwise provided in the Certificate of Incorporation with respect to any class or series of Series Common Stock or Preferred Stock.

If a quorum shall fail to attend any meeting, the chairman of the meeting may adjourn the meeting from time to time, without notice other than by announcement to the meeting, to another date, place and time until a quorum shall be present.

Section 5. Organization.

The Chairman of the Board of the Corporation, or, in his or her absence, such person as the Board may have designated or, in the absence of such a person, such person as may be chosen by the holders of a majority of the shares entitled to vote who are present, in person or represented by proxy, shall call to order any meeting of the stockholders and act as chairman of the meeting. The Secretary of the Corporation, or if he or she is not present, any Assistant Secretary, or in the absence of any Assistant Secretary of the Corporation, any person the chairman of the meeting appoints shall act as the Secretary of the meeting.

Section 6. Place of Meetings.

Meetings of the stockholders for the election of directors or for any other purpose shall be held at such time and place, either within or without the State of Delaware, as shall be designated from time to time by the Board and stated in the notice of the meeting or in a duly executed waiver of notice thereof given in accordance with Section 2 of ARTICLE VI.

Section 7. Conduct of Business.

The date and time of the opening and closing of the polls for each matter upon which the stockholders will vote at the meeting shall be announced at the meeting. The Board may adopt by resolution such rules and regulations for the conduct of meetings as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board, the chairman of any meeting shall have the right and authority to convene and adjourn the meeting and to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of the chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board or prescribed by the chairman of the meeting, may include, without limitation, the following: (a) the establishment of an agenda or order of business at the meeting; (b) rules and procedures for maintaining order at the meeting and the safety of those present; (c) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the chairman of the meeting shall determine; (d) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (e) limitations on the time allotted to questions or comments by participants. Unless and to the extent determined by the Board or the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

Section 8. Proxies and Voting.

At any meeting of the stockholders, every stockholder entitled to vote may vote in person or by proxy authorized by an instrument in writing or by a transmission permitted by law filed in accordance with the procedure established for the meeting. Unless otherwise provided in the Certificate of Incorporation, each stockholder represented at a meeting of stockholders shall be entitled to cast one vote for each share of capital stock entitled to vote thereat held by such stockholder.

All voting, except as may be required by law, including voting for the election of directors may be by a voice vote; provided, however, that upon demand therefor by a stockholder entitled to vote or by his or her proxy, or upon resolution by the Board in its discretion or by action of the chairman of the meeting, in his or her discretion, a stock vote may be taken. Every stock vote shall be taken by written ballots, each of which shall state the name of the stockholder or proxy voting and such other information as may be required under the procedure established for the meeting.

Unless otherwise provided by the Certificate of Incorporation, these By-laws, the rules or regulations of any stock exchange applicable to the Corporation, or applicable law or pursuant to any regulation applicable to the Corporation or its securities, (a) at all meetings of stockholders for the election of directors, a plurality of the votes cast shall be sufficient to elect, and (b) any other question brought before any meeting of stockholders shall be determined by the affirmative vote of a majority of the votes cast thereon by the holders represented and entitled to vote thereon.

Section 9. Stock List.

The officer of the Corporation who has charge of the stock ledger of the Corporation shall prepare and make, at least 10 days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least 10 days prior to the meeting in accordance with applicable law. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder of the Corporation who is present.

The stock ledger of the Corporation shall be the only evidence as to who are the stockholders entitled to examine the list required by this Section 9 of this ARTICLE I or to vote in person or by proxy at any meeting of stockholders.

Section 10. Inspection of Elections.

Before any meeting of stockholders, the Board shall appoint one or more inspectors to act at the meeting and make a written report thereof. The Board may designate one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at a meeting of stockholders, the person presiding at the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. No person who is a candidate for an office at an election may serve as an inspector at such election.

The inspectors shall, in accordance with these By-laws and the Certificate of Incorporation, ascertain the number of shares outstanding and the voting power of each, determine the shares represented at the meeting and the validity of proxies and ballots, count all votes and ballots, determine and retain for a reasonable period a record of the disposition of any challenges made to any determination made by the inspectors, and certify their determination of the number of shares represented at the meeting and their count of all votes and ballots.

The inspectors may appoint or retain other persons or entities to assist the inspectors in the performance of their duties. In determining the validity and counting of proxies and ballots, the inspectors shall act in accordance with applicable law.

ARTICLE II- BOARD OF DIRECTORS

Section 1. Number, Election and Term of Directors.

The business and affairs of the Corporation shall be managed by, or under the direction of, the Board. Except as otherwise provided for or fixed pursuant to the provisions of the Certificate of Incorporation relating to the rights of the holders of any series of Series Common Stock or Preferred Stock to elect additional directors, the total number of directors constituting the entire Board shall be not less than three with the then-authorized number of directors being fixed from time to time exclusively by the Board.

The Board of Directors (other than those directors elected by the holders of any series of Preferred Stock (the "Preferred Stock Directors") or by holders of any series of Series Common Stock (the "Series Common Stock Directors")) shall be divided into three classes, as nearly equal in number as possible, designated Class I, Class II and Class III. Class I directors shall initially serve until the third annual meeting of stockholders after January 1, 2005 and until the election and qualification of their respective successors in office; Class II directors shall initially serve until the second annual meeting of stockholders after January 1, 2005 and until the election and qualification of their respective successors in office; and Class III directors shall initially serve until the first annual meeting of stockholders after January 1, 2005 and until the election and qualification of their respective successors in office. Commencing with the first annual meeting of stockholders after January 1, 2005, at each annual meeting of stockholders, successors to the directors of the class the term of which shall then expire shall be elected to hold office for a term expiring at the third succeeding annual meeting of stockholders and until the election and qualification of their respective successors in office. In case of any increase or decrease, from time to time, in the number of directors (other than Preferred Stock Directors and the Series Common Stock Directors), the number of directors in each class shall be apportioned as nearly equally as possible.

Section 2. Newly Created Directorships and Vacancies.

Subject to the rights of the holders of any one or more series of Series Common Stock or Preferred Stock then outstanding, newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board resulting from death, resignation, retirement, disqualification, removal from office or other cause shall be filled solely by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board. Any director so chosen shall hold office until the next election of the class for which such director shall have been chosen and until his or her successor shall be elected and qualified or until his or her earlier death, resignation or removal from office in accordance with the Certificate of Incorporation, these By-laws, or any applicable law or pursuant to an order of a court. No decrease in the number of directors shall shorten the term of any incumbent director.

Section 3. Regular Meetings.

A meeting of the Board shall be held after the annual meeting of the stockholders and regular meetings of the Board shall be held at such place or places, on such date or dates, and at such time or times as shall have been established by the Board and publicized among all directors. Meetings may be held either within or without the State of Delaware. A notice of each regular meeting shall not be required.

Section 4. Special Meetings.

Special meetings of the Board may be called by the Chairman of the Board, by the Vice Chairman, by the Chief Executive Officer, by the President or by two or more directors then in office and shall be held at such place, on such date, and at such time as they or he or she shall fix. Meetings may be held either within or without the State of Delaware. Notice thereof, stating the place, date and time of each such special meeting shall be given each director by whom it is not waived by mailing written notice not less than four days before the meeting, or personally by telephone, telegraph, or telex, electronic transmission or similar means of communication not less than 12 hours before the meeting, or on such shorter notice as the person or persons calling the meeting may deem necessary and appropriate under the circumstances. Unless otherwise indicated in the notice thereof, any and all business may be transacted at a special meeting.

Section 5. Quorum; Vote Required for Action.

Except as may be otherwise provided by law, the Certificate of Incorporation or these By-laws, at all meetings of the Board, a majority of the entire Board shall constitute a quorum for the transaction of business, and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board. The directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

Section 6. Participation in Meetings by Conference Telephone.

Members of the Board, or of any committee thereof, may participate in a meeting of such Board or committee by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other and such participation shall constitute presence in person at such meeting.

Section 7. Conduct of Business; Action by Consent.

At any meeting of the Board, business shall be transacted in such order and manner as the Board may from time to time determine. The Board may take action without a meeting if all members thereof consent thereto in writing or by electronic transmission, and the writing or writings or the electronic transmission or transmissions are filed with the minutes of proceedings of the Board in accordance with applicable law.

Section 8. Powers.

The business of the Corporation shall be managed by or under the direction of the Board which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these By-laws directed or required to be exercised or done by the stockholders of the Corporation, including, without limiting the generality of the foregoing, the power:

- (a) To declare dividends from time to time in accordance with law;
- (b) To purchase or otherwise acquire any property, rights or privileges on such terms as it shall determine;
- (c) To authorize the creation, making and issuance, in such form as it may determine, of written obligations of every kind, negotiable or non-negotiable, secured or unsecured, and to do all things necessary in connection therewith;
- (d) To remove any officer of the Corporation with or without cause, and from time to time to devolve the powers and duties of any officer upon any other person for the time being;
- (e) To confer upon any officer of the Corporation the power to appoint, remove and suspend subordinate officers, employees and agents;
- (f) To adopt from time to time such stock option, stock purchase, bonus or other compensation plans for directors, officers, employees and agents of the Corporation and its subsidiaries as it may determine;

The directors may be paid their expenses, if any, of attendance at each meeting of the Board and may be paid a fixed sum for attendance at each meeting of the Board or paid a stated salary or paid other compensation as director. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be paid like compensation for serving on a committee.

ARTICLE III- COMMITTEES**Section 1. Committees of the Board.**

The Board shall designate such committees as may be required by the rules of the New York Stock Exchange (or any other principal United States exchange upon which the shares of the Corporation may be listed) and may from time to time designate other committees of the Board (including an executive committee), with such lawfully delegable powers and duties as it thereby confers, to serve at the pleasure of the Board and shall, for those committees and any others provided for herein, elect a director or directors to serve as the member or members, designating, if it desires, other directors as alternate members who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of any member of any committee and any alternate member in his or her place, the member or members of the committee present at the meeting and not disqualified from voting, whether or not he or she or they constitute a quorum, may by unanimous vote appoint another member of the Board to act at the meeting in the place of the absent or disqualified member.

Section 2. Conduct of Business.

Any committee, to the extent allowed by law and provided in the resolution establishing such committee, shall have and may exercise all the duly delegated powers and authority of the Board in the management of the business and affairs of the Corporation. The Board shall have the power to prescribe the manner in which proceedings of any such committee shall be conducted. In the absence of any such prescription, any such committee shall have the power to prescribe the manner in which its proceedings shall be conducted. Unless the Board or such committee shall otherwise provide, regular and special meetings and other actions of any such committee shall be governed by the provisions of ARTICLE II applicable to meetings and actions of the Board. Each committee shall keep regular minutes and report to the Board when required.

ARTICLE IV- OFFICERS**Section 1. General.**

The officers of the Corporation shall be elected by the Board and shall be a Chairman of the Board (who must be a director), a President, a Secretary and a Treasurer. The Board, in its sole discretion, may also choose one or more Vice Chairmen, Chief Executive Officers, Chief Operating Officers, Senior Executive Vice Presidents, Senior Vice Presidents, Vice Presidents, Assistant Secretaries, Assistant Treasurers and other officers. Any number of offices may be held by the same person, unless otherwise prohibited by law, the Certificate of Incorporation or these By-laws. The Board may, from time to time, delegate the powers or duties of any officer to any other officers or agents, notwithstanding any contrary provision hereof.

Section 2. Election.

The Board at its first meeting held after each annual meeting of stockholders shall elect the officers of the Corporation, who shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined from time to time solely by the Board, which determination may be by resolution of the Board or in any By-law provisions duly adopted

or approved by the Board; and all officers of the Corporation shall hold office until their successors are chosen and qualified, or until their earlier resignation or removal. The salaries of the officers elected by the Board shall be fixed from time to time by the Board or by such officers as may be designated by resolution of the Board. Any officer elected by the Board may be removed at any time by the Board with or without cause. Only the Board may fill any vacancy occurring in any office of the Corporation.

Section 4. Vice Chairman of the Board.

The Vice Chairman shall report and be responsible to the Chairman of the Board. The Vice Chairman shall have such powers and perform such duties as from time to time may be assigned or delegated to him or her by the Board or are incident to the office of Vice Chairman. During the absence, disability, or at the request of the Chairman of the Board, the Vice Chairman shall perform the duties and exercise the powers of the Chairman of the Board. In the absence or disability of both the Vice Chairman and the Chairman of the Board, the Chief Executive Officer or another person designated by the Board shall perform the duties and exercise the powers of the Vice Chairman, and unless otherwise determined by the Board, the duties and powers of the Chairman.

Section 5. Chief Executive Officer.

He or she shall perform all duties incident to the office of Chief Executive Officer and such other duties as from time to time may be assigned to him or her by the Board. He or she shall have the right to delegate any of his or her powers to any other officer or employee. During the absence or disability of the Chairman of the Board and/or the Vice Chairman, or at the request of the Chairman of the Board or Vice Chairman, the Chief Executive Officer shall perform the duties and exercise the powers of the Vice Chairman and/or the Chairman of the Board, as the case may be. In the absence or disability of the Chief Executive Officer, the person designated by the Board shall perform the duties and exercise the powers of the Chief Executive Officer, and if so determined by the Board, the duties and powers of the Vice Chairman and/or the Chairman of the Board, as the case may be.

The Secretary shall keep or cause to be kept, at the principal executive office of the Corporation or such other place as the Board may order, a book of minutes of all meetings of stockholders, the Board and its committees, with the time and place of holding, whether regular or special, and if special, how authorized, the notice thereof given, the names of those present at Board and committee meetings, the number of shares present or represented at stockholders' meetings, and the proceedings thereof. The Secretary shall keep, or cause to be kept, a copy of the By-laws of the Corporation at the principal executive office of the Corporation or such other place as the Board may order.

The Secretary shall keep, or cause to be kept, at the principal executive office of the Corporation or at the office of the Corporation's transfer agent or registrar, if one be appointed, a stock register, or a duplicate stock register, showing the names of the stockholders and their addresses, the number and classes of shares held by each, the number and date of certificates issued for the same, and the number and date of cancellation of every certificate surrendered for cancellation.

The Secretary shall give, or cause to be given, notice of all meetings of the stockholders, and of the Board and any committees thereof required by these By-laws or by law to be given, shall keep the seal of the Corporation in safe custody and shall have such other powers and perform such other duties as may be prescribed by the Board.

Section 12. Treasurer.

The Treasurer shall have custody of the corporate funds and securities of the Corporation and shall keep and maintain, or cause to be kept and maintained, adequate and correct accounts of

the properties and business transactions of the Corporation, and shall send or cause to be sent to the stockholders of the Corporation such financial statements and reports as are required by law or these By-laws to be sent to them.

The Treasurer shall deposit all monies and valuables in the name and to the credit of the Corporation with such depositaries as may be designated by the Board. The Treasurer shall disburse the funds of the Corporation as may be ordered by the Board, shall render to the President, the Chief Executive Officer, the Chief Operating Officer and the Board, whenever any of them requests it, an account of all transactions and of the financial condition of the Corporation, and shall have such other powers and perform such other duties as may be prescribed by the Board.

Section 13. Other Officers.

Such other officers or assistant officers as the Board may designate shall perform such duties and have such powers as from time to time may be assigned to them by the Board. The Board may delegate to any other officer of the Corporation the power to choose such other officers and to prescribe their respective duties and powers.

Section 14. Execution of Contracts and Other Documents.

Each officer of the Corporation may execute, affix the corporate seal and/or deliver, in the name and on behalf of the Corporation, deeds, mortgages, notes, bonds, contracts, agreements, powers of attorney, guarantees, settlements, releases, evidences of indebtedness, conveyances, or any other document or instrument which is authorized by the Board or is required to be executed in the ordinary course of business of the Corporation, except in cases where the execution, affixation of the corporate seal and/or delivery thereof shall be expressly and exclusively delegated by the Board to some other officer or agent of the Corporation.

Section 15. Action with Respect to Securities of Other Corporations.

Powers of attorney, proxies, waivers of notice of meeting, consents and other instruments relating to securities owned by the Corporation may be executed in the name of and on behalf of the Corporation by the Chairman of the Board, the Chief Executive Officer or the President or any other officer or officers authorized by the Board, the Chairman of the Board, the Chief Executive Officer or the President, and any such officer may, in the name of and on behalf of the Corporation, vote, represent and exercise on behalf of the Corporation all rights incident to any and all shares of any other corporation and take all such action as any such officer may deem advisable to vote in person or by proxy at any meeting of security holders of any corporation in which the Corporation may own securities and at any such meeting shall possess and may exercise any and all rights and power incident to the ownership of such securities and which, as the owner thereof, the Corporation might have exercised and possessed if present. The Board may, by resolution from time to time, confer like powers upon any other person or persons.

ARTICLE V- STOCK**Section 1. Certificates of Stock.**

The Board may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares. Notwithstanding the foregoing, every holder of stock represented by certificates and, upon request, every holder of uncertificated shares shall be entitled to a certificate certifying the number of shares owned by him or her and signed in the name of the Corporation (a) by the Chairman or Vice Chairman of the Board, President or any Executive Vice President, Senior Vice President or Vice President and (b) by the Secretary or an Assistant Secretary, or the Treasurer or an Assistant Treasurer. Where a certificate is countersigned by (i) a transfer agent or (ii) a registrar, any other signature on the certificate may be a facsimile. In case any officer, transfer agent or registrar whose signature appears on the certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if he or she were such officer, transfer agent or registrar at the date of issue.

Section 2. Transfers of Stock.

Transfers of shares of capital stock of the Corporation shall be made only on the stock record of the Corporation by the holder of record thereof or by his, her or its attorney thereunto authorized by the power of attorney duly executed and filed with the Secretary of the Corporation or the transfer agent thereof, and only on surrender of the certificate or certificates representing such shares, properly endorsed or accompanied by a duly executed stock transfer power. Registration of transfer of any shares shall be subject to applicable provisions of the Certificate of Incorporation and applicable law with respect to the transfer of such shares. The Board may make such additional rules and regulations as it may deem expedient concerning the issue and transfer of certificates representing shares of the capital stock of the Corporation.

Section 3. Record Date.

(a) In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in any other lawful action (except as otherwise provided in Section 3(b) of this ARTICLE V, the Board may fix a record date in respect of such meeting, which record date shall not precede the date upon which the resolution fixing the record date is so adopted and shall not be more than 60 nor less than 10 days before the date of such meeting; provided, however, that if no record date is fixed by the Board, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held, and, for determining stockholders entitled to receive payment of any dividend or other distribution or allotment of rights or to exercise any rights of change, conversion or exchange of stock or for any other purpose, the record date shall be at the close of business on the day on which the Board adopts a resolution relating thereto. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for the adjourned meeting.

(b) If the Certificate of Incorporation shall provide that any holders of Series Common Stock or Preferred Stock may act by a consent in writing, then (unless otherwise provided in the Certificate of Incorporation) the record date for determining such stockholders entitled to express consent to corporate action in writing without a meeting shall be as fixed by the Board or as otherwise established under this Section 4(b). Any person seeking to have any such stockholders authorize or take corporate action by written consent without a meeting shall, by written notice addressed to the Secretary and delivered to the Corporation, request that a record date be fixed for such purpose. The Board may fix a record date for such purpose, which shall be no more than 10 days after the date upon which the resolution fixing the record date is adopted by the Board and shall not precede the date such resolution is adopted. If the Board fails within 10 days after the Corporation receives such notice to fix a record date for such purpose, the record date shall be the day on which the first written consent is delivered to the Corporation in the manner prescribed by the DGCL, unless prior action by the Board is required under the DGCL, in which event the record date shall be at the close of business on the day on which the Board adopts the resolution taking such prior action.

Section 4. Lost, Stolen or Destroyed Certificates.

The Board may direct a new certificate to be issued in place of any certificate theretofore issued by the Corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen or destroyed. When authorizing such issue of a new certificate, the Board may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate, or his or her legal representative, to advertise the same in such manner as the Board shall require and/or to give the Corporation a bond in such sum as it may direct as indemnity against any claim that may be made against the Corporation with respect to the certificate alleged to have been lost, stolen or destroyed.

Section 5. Regulations.

The issue, transfer, conversion and registration of certificates of stock shall be governed by such other regulations as the Board may establish.

Section 6. Record Owners.

The Corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends, and to vote as such owner, and to hold liable for calls and assessments a person registered on its books as the owner of shares, and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by law.

ARTICLE VI– NOTICES**Section 1. Notices.**

Whenever notice is required by law, the Certificate of Incorporation or these By-laws, except as otherwise specifically provided herein or required by law, all notices required to be given to any stockholder, director, officer, employee or agent shall be in writing and may in every instance be effectively given by hand delivery to the recipient thereof, by depositing such notice in the mails, postage paid, recognized overnight delivery service or by sending such notice by facsimile, receipt acknowledged, by prepaid telegram or mailgram or by electronic transmission in accordance with the DGCL. Any such notice shall be addressed to such stockholder, director, officer, employee or agent at his or her last known address as the same appears on the books of the Corporation. The time when such notice is received, if hand delivered, or dispatched, if delivered through the mails or by telegram or facsimile shall be the time of the giving of the notice.

Section 2. Waivers.

A written waiver or a waiver by electronic transmission of any notice, signed or given by a stockholder, director, officer, employee or agent, whether before or after the time of the event for which notice is to be given, shall be deemed equivalent to the notice required to be given to such stockholder, director, officer, employee or agent. Neither the business nor the purpose of any meeting need be specified in such a waiver. Attendance at any meeting shall constitute waiver of notice of such meeting except attendance for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

ARTICLE VII– INDEMNIFICATION**Section 1. Indemnification.**

Each person who was or is made a party to or is threatened to be made a party to or is otherwise involved in any action, suit, or proceeding, whether civil, criminal, administrative, or investigative (hereinafter a “Proceeding”), by reason of the fact that he or she is or was a director or officer of the Corporation or any of its direct or indirect subsidiaries or is or was serving at the request of the Corporation as a director or officer of any other corporation or of a partnership, limited liability company, joint venture, trust, or other enterprise, including service with respect to an employee benefit plan (hereinafter an “indemnitee”), whether the basis of such proceeding is alleged action in such person’s official capacity or in any other capacity while holding such office, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the DGCL, as the same exists or may hereafter be amended, against all expense, liability, and loss (including attorneys’ fees, judgments, fines, excise or other taxes assessed with respect to an employee benefit plan, penalties, and amounts paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith, and such indemnification shall continue as to an indemnitee who has ceased to be such a director or officer and shall inure to the benefit of the indemnitee’s heirs, executors, and administrators; provided, however, that, except as provided in Section 3 of this ARTICLE VII with respect to proceedings to enforce rights to indemnification, the Corporation shall indemnify any such indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board.

Section 2. Advancement of Expenses.

The Corporation shall to the fullest extent not prohibited by applicable law pay the reasonable expenses (including reasonable attorneys' fees) incurred by indemnitee in defending any proceeding in advance of its final disposition (hereinafter an "advancement of expenses"); provided, however, that no such advancement of expenses shall be made except upon delivery to the Corporation of an undertaking (hereinafter an "undertaking"), by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision or order from which there is no further right to appeal (hereinafter a "final adjudication") that such indemnitee is not entitled to be indemnified for such expenses under this ARTICLE VII or otherwise.

Section 3. Enforcement.

The rights to indemnification and to the advancement of expenses conferred in Sections 1 and 2 of this ARTICLE VII shall be contract rights. If (i) a claim for indemnification after the final disposition of a proceeding under such Section 1 is not paid in full within 60 days after a written claim has been received by the Corporation or if (ii) a claim for an advancement of expenses under Section 2 is not paid in full by the Corporation within 20 days after a written claim (together with the requisite undertaking) has been received by the Corporation, the indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim. If successful in whole or in part in any such suit, or in a suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the indemnitee shall be entitled to be paid also the expense of prosecuting or defending such suit. In (a) any suit brought by the indemnitee to enforce a right to indemnification hereunder (but not in a suit brought by an indemnitee to enforce a right to an advancement of expenses) it shall be a defense that the indemnitee has not met any applicable standard for indemnification set forth in the DGCL, and (b) any suit by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall be entitled to recover such expenses upon a final adjudication that the indemnitee has not met any applicable standard for indemnification set forth in the DGCL. Neither the failure of the Corporation (including the Board, any committee thereof, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such suit that indemnification of the indemnitee is proper in the circumstances because the indemnitee has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including the Board, any committee thereof, independent legal counsel, or its stockholders) that the indemnitee has not met such standard of conduct, shall create a presumption that the indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this ARTICLE VII or otherwise, shall be on the Corporation.

Section 4. Rights Non-Exclusive.

The rights to indemnification and to the advancement of expenses conferred in this ARTICLE VII shall not be exclusive of any right which any person may have or hereafter acquire under any statute, the Certificate of Incorporation, By-law, agreement, vote of stockholders or disinterested directors, or otherwise.

Section 5. Insurance.

The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust, or other enterprise against any expense, liability, or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability, or loss under the DGCL.

Section 6. Indemnification by Other Enterprises.

The Corporation's obligation, if any, to indemnify any person who was or is serving as a director of any direct or indirect subsidiary of the Corporation or, at the request of the Corporation, of any other corporation or of a partnership, joint venture, trust, or other enterprise shall be reduced by any amount such person may collect as indemnification from such other corporation, partnership, joint venture, trust or other enterprise.

Section 7. Repeal or Modification.

Any repeal or modification of the foregoing provisions of this ARTICLE VII shall not adversely affect any right or protection hereunder of any person in respect of any act or omission occurring prior to the time of such repeal or modification.

Section 8. Indemnification of Other Persons.

The Corporation may, to the extent authorized from time to time by the Board, grant indemnification rights and rights to the advancement of expenses to any officer, employee or agent of the Corporation to the fullest extent of the provision of this ARTICLE VII and as permitted by the DGCL with respect to the indemnification and advancement of expenses to directors.

ARTICLE VIII- MISCELLANEOUS

Section 1. Facsimile Signatures.

In addition to the provisions for use of facsimile signatures elsewhere specifically authorized in these By-laws, facsimile signatures of any officer or officers of the Corporation may be used whenever and as authorized by the Board or a committee thereof.

Section 2. Corporate Seal.

The Board may provide a suitable seal, containing the name of the Corporation, which seal shall be in the charge of the Secretary. If and when so directed by the Board or a committee thereof, duplicates of the seal may be kept and used by the Treasurer or by an Assistant Secretary or Assistant Treasurer.

Section 3. Reliance upon Books, Reports and Records.

Each director, each member of any committee designated by the Board, and each officer of the Corporation shall, in the performance of his or her duties, to the fullest extent permitted by law

be protected in relying in good faith upon the books of account or other records of the Corporation and upon such information, opinions, reports or statements presented to the Corporation by any of its officers or employees, or committees of the Board so designated, or by any other person as to matters which such director or committee member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation.

Section 4. Fiscal Year.

The fiscal year of the Corporation shall be as fixed by the Board.

Section 5. Time Periods.

In applying any provision of these By-laws which requires that an act be done or not be done a specified number of days prior to an event or that an act be done during a period of a specified number of days prior to an event, calendar days shall be used, the day of the doing of the act shall be included, and the day of the event shall be excluded.

Section 6. Disbursements.

All checks or demands for money and notes of the Corporation shall be signed by such officer or officers or such other person or persons as the Board may from time to time designate.

ARTICLE IX- AMENDMENTS

In furtherance and not in limitation of the powers conferred upon it by law, the Board is expressly authorized to adopt, repeal, alter or amend these By-laws by the vote of a majority of the entire Board. In addition to any requirements of law and any other provision of the Certificate of Incorporation or any resolution or resolutions of the Board adopted pursuant to ARTICLE IV of the Certificate of Incorporation (and notwithstanding the fact that a lesser percentage may be specified by law, the Certificate of Incorporation or any such resolution or resolutions), the affirmative vote of the holders of 65% or more of the combined voting power of the then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required for stockholders to adopt, amend, alter or repeal any provision of these By-laws.
