Dear Fellow Community Broadcasters,

Last week, 16 Jun 2020, I sent you all an invite to a meeting (see email below and invite attached hereto) to discuss the possible timing options and to determine the best way that we can comply with the ACMA's preferences for the Windsor RA1 license area.

Moreover, HRCA has obtained an extension of the ACMA deadline until 30 Jun 2020 (see the ACMA email attached).

HRCA is still of the view that it is imperative that we all meet to discuss possible pathways.

To date HRCA has received no replies from any of you with regard to the proposed meeting.

Would you please respond to the HRCA proposal for a meeting.

Yours sincerely,

Paul Rasmussen
