Attn Hugh Clapin.

Dear Hugh,

Hawkesbury Radio would like to advise you that we have been in talks with Hawkesbury Gold to have a joint display/site at the Hawkesbury Show but unfortunately we have not been able to reach a mutual agreement over various issues.

Hawkesbury Radio has had a number of meetings with WHCR/CAMS this year and we continue to have constructive conversations that may result in a working relationship. We have a meeting planned for next week and will advise if there are any outcomes.

Yours sincerely

Steve Wilkins
