Hi [REDACTED]

Thank you for taking my call on Wednesday. As discussed, VK3KI was allocated to [REDACTED] who passed away in 2012. Under the previous arrangements for allocation of callsigns, the WIA reserved the call sign for the [REDACTED] family so [REDACTED] can take ownership of it once she has obtained the Advanced qualification. At that time, the ACMA agreed to the reservation of the callsign for [REDACTED]. We have recently spoken with [REDACTED], and she has confirmed that she would like for the call sign to remain on the reserve list until December 2021, by which time she expects to have obtained the Advanced qualification.

In light of the above, we are inclined to honour the 2012 arrangement, and to agree to [REDACTED] request to continue to reserve the callsign. Therefore, we request that ask the AMC to place VK3KI back on to the reserve list and (if possible) apply a note, to the effect, that it is reserved to December 2021 for [REDACTED].

Please let me know if this is a problem.

Regards
