Dear Nerida,

Thank you for speaking at the IIC's Regional Regulators Forum (RRF) on Tuesday 8 February. The RRF is a closed meeting for regulators and as you are aware your fellow panellists are:

*Moderator: Andrea Millwood Hargrave, Principal, Millwood Hargrave Ltd*

*Panellists:*

*Nerida O'Loughlin, Chair and Agency Head, Australian Communications and Media Authority (ACMA)*

*Dr Wei-Chung Teng, Commissioner, National Communications Commission (NCC), Taiwan, ROC*

*Than Htun Aung, Deputy Director General, Posts and Telecommunications Department, Myanmar*

*On the subject: Roundtable Session 1: Protecting citizens and consumers*

As with all our events and meetings we promote them via Social Media. Given one of your fellow Regulator panellists is from Myanmar, this has attracted some negative tweets, as it has been shared by an organisation called *Justice for Myanmar* and therefore you have been mentioned as a fellow panellist.

Our original tweet for the event has been removed, however information is still circulating on social media, Twitter, and I wanted to make you aware of the situation.

Please do not hesitate to contact me should you wish to discuss further.

With kind regards,

Lynn
