Dear Chair

Please find attached my complaint to the ABC concerning its coverage of the Alice Springs town meeting.

Given the unsatisfactory way in which the ABC has attempted to resolve these matters, I am requesting that ACMA exercises its discretion to investigate the ABC for a potential breach of the ABC's Code of Practice 2023.

I note that the complaint I have made to the ABC reflects profound concerns held by many Australians, including many residents of Alice Springs.

I look forward to your consideration and advice.

Yours sincerely
Sarah Henderson
