

**Australian Radiofrequency Spectrum Plan 2021
Decision under subsection 10(10)**

Pursuant to clause 10(10) of the *Australian Radiofrequency Spectrum Plan 2021*, I, Chris Worley, delegate of the Australian Communications and Media Authority, being satisfied that use of the Fixed Satellite service, for the operation of optical ground stations, located within the Mingenew Earth Station Protection Zone, for satellite communications purposes in 185–200 THz frequency band

- i. is an unspecified service in respect of the 185 to 200 THz frequency band; and
- ii. is unlikely to cause harmful interference to another service;

approve the 185–200 THz frequency band for use by the Fixed Satellite service.
