Hi Dean,

Thanks for the discussion today about how the ACMA will be, for procedural fairness reasons, providing to [REDACTED] a gist of the information provided by the AMC regarding the reasons that led to [REDACTED] removal as an UTAS volunteer and AMC assessor.

For your information, [REDACTED] will be provided with the below.

In accordance with paragraph 11(1)(f) of the Radiocommunications Accreditation (Amateur Radio Examination) Rules 2023, the ACMA must have regard to whether you had been removed from the AMC's List of Authorised Assessors before 13 December 2023. As you informed us, you ceased to be an assessor before 13 December 2023.

The ACMA is also aware of:

- (a) a possible disagreement between you and the AMC regarding the conduct of examinations, including in relation to the use of a private residence; and*
- (b) a possible deterioration of the working relationship between you and the AMC and its staff;*

before you ceased to be an assessor for the AMC.

Before the ACMA makes a decision on your application for accreditation, you are being given the opportunity to provide us with any information, and provide us with your views, about the possible disagreement between you and the AMC regarding the conduct of examinations, and your working relationship with the AMC.

Thank you for the offer to provide any additional information that may be legally required.

Kind regards,
Anneke
