Hi [REDACTED]

Has there been any progress in obtaining the written comments provided by the Senator to the chair. I know you said there would be a short turnaround on this, but we can't do much without reviewing the comments, which form the basis of the questions below.

Hi [REDACTED],

I expect another email in about a week's time from PGAR with the due date and links to the templates, but it's best not to wait until then to start drafting responses as there will only be a few days for Alana and Autumn to clear. Could you please start drafting relevant responses so that these are ready to place in the template by early next week?

Best regards,

[REDACTED]

Subject: FOR INFORMATION: November 2024 Supplementary Budget Senate Estimates – Summary of questions taken on notice - 4 Nov 2024 [SEC=OFFICIAL]

Dear all,

Thank you for attending Senate Estimates on Tuesday at 5:00pm. Please find below a summary of questions taken on notice by the ACMA during our Hearing.

We will confirm the wording of the questions taken on notice against the Hansard once it has been released, and also provide the response template when it becomes available.

Please note, the Department has not yet provided a due date for responses to QoNs, we will share this information as soon as it becomes available.

Topic	Question
Draft update of Free TV Australia Code of Practice	<p>Senator Pocock</p> <ul style="list-style-type: none"> Senator Pocock stated “ACMA’s submission to the draft code doesn’t say anything about the alcohol ads during sporting events highlighted by the government rapid response team put together”. <ul style="list-style-type: none"> ACMA Chair replied “I will have to take that on notice as I’m not aligning those two up”. The Parliamentary Team have noted the conversation was corrected as no submission was made, rather ACMA’s views was made public via a paper but have noted down the question on notice as a provision. As a regulator of Free TV, that allows alcohol ads during sporting events, has ACMA undertaken it’s own evaluation and/or reflection on what that means for future regulation?
Kyle and Jackie O Show Comments/Remarks	<p>Senator Hanson-Young</p> <ul style="list-style-type: none"> Out of the 59 complaints received since July about the Kyle and Jackie O Show, how many of them are about the comments/remarks provided? Has ACMA conducted its own motion of investigation into the complaints about Kyle and Jackie O Show?

	<ul style="list-style-type: none"> ○ ACMA Chair replied “Not on the Kyle and Jackie O Show but I am happy to take your concern on notice and discuss it as an Authority”. • How many complaints provided have been upheld? • Would the content provided falls foul of the Code’s decency standard? <ul style="list-style-type: none"> ○ ACMA Chair replied “We will have to take this offline...” “need to take some time to review” • How many complaints aggregated of the show have been made?
Telecommunications Consumer Protection (TCP) Code	<p>Senator Pocock</p> <ul style="list-style-type: none"> • What resourcing is ACMA committing to enforcing activities under the TCP Code given the egregious practices revealed by ACCC?
News Media Bargaining Process	<p>Senator Hanson-Young</p> <ul style="list-style-type: none"> • Since Meta announced they are refusing to comply, has the Government or Ministers office contacted ACMA on what to do next? • Has the Government or Ministers Office contacted ACMA about what the media agencies list or the current criteria or current assessment process that ACMA is using looks like? • Have there been any appeals to ACMA about knockbacks on the process by which if somebody doesn’t make it onto the list, they an ask for it to be reviewed?

Please let the [REDACTED] know if you have any questions.

Kind regards,
