Hi [REDACTED] and [REDACTED]

As discussed at Content Committee yesterday, I would be grateful if you could start work on a letter for the Chair to write to ARN/Licensee of the Kyle & Jackie O show following senate estimates last week.

The letter should cover the following:

- Provide a copy of the document provided by Senator Hanson-Young at estimates and seek advice on dates/times and/or copies of broadcasts.
- Seek an explanation from the Licensee about how alleged content is consistent with the Licensee's commitments under the (MPOX/Paralympics) Enforceable Undertakings; and in particular seeking an explanation from the two censors engaged as part of the EU on how these broadcasts meets the decency standards and how they managed these broadcasts.

I am just checking on timing for the letter from Autumn, but I expect she will be keen to see a draft sooner rather than later.

Many thanks
