Thanks Phil

It did seem a bit vague...

Hello Glenn. Thank you for signing the contract.

Unfortunately, from our end this appears to not be signed yet.

I suspect that I did not complete the Adobe sign set up procedure completely. I do apologise. I think that this means that, while you signed, the document did not automatically email to the next person.

I will redo this shortly so I kindly ask if you could sign this again please when it comes through to you.

Thank you and Kind Regards
