Subject: Free TV Australia "Alcohol advertising on TV"

[CAUTION - EXTERNAL]

From: [REDACTED]
Subject: Alcohol advertising on TV

Message Body:

I attended [REDACTED] where alcohol consumption was excessive and destructive. [REDACTED]

As a mother [REDACTED], I then saw them [REDACTED] where the behaviour around consumption of alcohol had become a greater issue [REDACTED]

[REDACTED] I am concerned that increased advertising of alcohol on TV will continue to validate overconsumption of alcohol and binge drinking with continued reminders of 'how this is a good thing'. Please limit the advertising of alcohol to the minimum to safeguard our next generations. Australian are seen as excessive drinkers by the rest of the world. Let's change the narrative now.
