Subject: Free TV Australia "Alcohol and Gambling Advertising"

[CAUTION - EXTERNAL]

From: [REDACTED]
Subject: Alcohol and Gambling Advertising

Message Body:

Deep down, everyone wants far more regulation and restriction of alcohol and gambling advertising on TV. This is the real 'elephant in the room'.

Whatever profits are being made by a select few, big as they may be, are dwarfed by the massive cost to all of us due to the devastating harm caused by unbridled alcohol consumption and gambling.

Talking about things like domestic violence, chronic disease and the protection of children is just blatant hypocrisy unless advertising these products is curbed immediately.
