Subject: Free TV Australia "Alcohol Advertising"

[CAUTION - EXTERNAL]

From: [REDACTED]
Subject: Alcohol Advertising

Message Body:

There is too much alcohol and gambling advertising of free to air television, particularly at times when children are likely to be exposed to it. Alcohol advertising should only be allowed after 9:00pm and not at all on weekends and school and public holidays. We need to protect children from exposure to drug/alcohol advertising. One only has to consider that the most harmful drug to our society is alcohol. We should, in no way, be considering any expansion of the hours of alcohol advertising.
