Dear [REDACTED]

Thank you for your email – you'll be pleased to know that I am just getting final sign-off on this, so it should be with you by Wednesday at the latest.

We are planning to send the submissions through Dropbox, so should all be fine.

With thanks and kind regards,

[REDACTED]

**[CAUTION - EXTERNAL]**

Hi [REDACTED]

I hope that you are well.

As it is nearly the end of the work year, I was hoping that you could provide us with an ETA on when we can expect to receive the submissions to your consultation on the draft Commercial Television Industry Code of Practice. Free TV had previously indicated that it would provide the ACMA with copies of these submissions by mid-December, along with internal research on the frequency of alcohol advertising during the proposed M classified time-zones.

These documents can be sent to me and my colleague, [REDACTED] (cc'd). As we appreciate there's likely to be a large number of files, please get in touch if there are any issues in terms of sending them through. We understand a file sharing website or portal would be best – and would appreciate advance notice of what you plan to use. We are happy to work with you to find a solution if distribution proves difficult.

[REDACTED] and I will both be available until next Tuesday, and happy to chat anytime between now and then.

Thank you,

[REDACTED]
