Subject: Free TV Australia "Program classifications shown during advertisements"

[CAUTION - EXTERNAL]

From: [REDACTED]
Subject: Program classifications shown during advertisements

Message Body:

1. Paragraph 2.5.3 needs the addition of the words which require classification information to be displayed clearly and conspicuously in a consistent position on screen, using a consistent format for the symbol, for the whole duration of the promotion of programs and films.
2. The M classification time zones should remain unchanged. Otherwise, children will be exposed to M rated content, alcohol advertisements and advertisements for R18+ movies and games.
