Subject: Free TV Australia "Advertising feedback"

[CAUTION - EXTERNAL]

Subject: Advertising feedback

Message Body:

Gambling advertising is overwhelming on free TV broadcasts. Government need to regulate and broadcast stations need to take the initiative to set standards above advertising profits, to restrict gambling advertising. We see various code restrictions that protect and inform children on topics such as smoking, alcohol, consent but gambling is virtually given free rein. A notice at the end of each advertisement or program is ineffective.
