Subject: No more alcohol ads

Message Body:  
Hi FreeTV,

As the mother of a 9 year old boy who loves his sport, please do not relax the ad code to allow more alcohol ads on TV.

We know that more alcohol ads leads to more consumption, and this results in more family and domestic violence.

Please do you bit to put the safety and wellbeing of women and children first - we need less alcohol ads on TV not more.

Regards,
