[CAUTION - EXTERNAL]

From: [REDACTED]  
Subject: Alcohol and gambling advertising

Message Body:

The advertising of alcohol and gambling should not be permitted during televised/streamed sporting events or during the hours designated for childrens television. The current intensity of this advertising attempts to normalise gambling and alcohol consumption. both of which are proven to be destructive forces in society that generate illness, death, family breakdowns, domestic violence and poverty. Please make a decision that will move towards a better society and generate less damage than the present situation.
