Subject: Alcohol and Gambling Advertising

Message Body:

I would like to suggest that it is entirely inappropriate to have any alcohol or gambling advertisements at any time on television. It is not just disastrous for children, it also affects adults too.

These adverts legitimise alcohol and gambling, both of which we know severely impact many people. They are both presented as harmless whereas they are anything but.

[REDACTED] I ask that both alcohol and gambling adverts are not shown at all on TV, in any way, shape or form.

[REDACTED] Sadly alcohol advertising is part of the problem, a big part.

Yours,
