[CAUTION - EXTERNAL]

From: [REDACTED]  
Subject: Alcohol advertising on TV.

Message Body:

The TV Industry should not increase alcohol advertisements on TV by 800+ hours each year.  
Alcohol contributes to excessive harm to far too many people. This includes family and domestic violence, chronic diseases like cancer, homelessness, self harm & suicide.  
I call on the TV Industry & the government to act responsibly and stop increasing alcohol advertising .
