Dear Nerida

I hope you are well.

I am just writing to let you know that we will be commencing public consultation on our updated Code of Practice on Monday 30 September and am forwarding you a copy of the relevant documents for your information. I know this is a process you have raised with Free TV a number of times over recent years so it is pleasing we have now reached this important milestone.

We have of course also provided these documents to the Authority's team working on the Code review.

I look forward to working with the Authority to finalise the Code in due course once public feedback has been received and considered.

If you have any questions in the meantime, of course I am happy to discuss at any time.

Kind regards

Bridget
