Subject: Free TV Australia "No to extending alcohol advertising on commercial tv"

[CAUTION - EXTERNAL]

Subject: No to extending alcohol advertising on commercial tv

Message Body:

Society needs to put people first and protect vulnerable innocent children and adult victims rather than support organisations who wish to make money on misery. The evidence is clear - high levels of alcohol consumption contributes to family violence. My husband was a victim of this in his childhood. We must say NO to extending alcohol advertising on commercial tv!
