Subject: Free TV Australia "stop advertising alcohol and gambling on our TV"

Subject: stop advertising alcohol and gambling on our TV

Message Body:

The Australian Government's own rapid review panel on preventing all forms of violence against women and children recommended further restrictions on alcohol advertising.

They said "given the statistical increase in domestic, family and sexual violence incidents during football grand finals, as well as the high number of children who watch sport on television and mobile apps, the Review recommends that alcohol advertising be restricted during sporting events."

It is ridiculous that we can't watch tv without being bombarded by gambling and alcohol advertising; it is against the greater good of our community to do this sort of advertising and there should be very tight controls around this
