Subject: Free TV Australia "Alcohol and gambling advertisements"

[CAUTION - EXTERNAL]

From: [REDACTED]
Subject: Alcohol and gambling advertisements

Message Body:

We know that children often stay up late to watch sporting events with their fathers so this should mean that ads for gambling and alcohol should not be played before or during such sports events. No ads should be shown at times when children will be exposed i.e. before 8.30 pm. we also know that alcohol and sporting events lead to domestic violence so this is another good reason to band them at this time.
