Subject: Free TV Australia "advertising addictions"

[CAUTION - EXTERNAL]

From: [REDACTED]
Subject: advertising addictions

Message Body:

I am concerned about the proposed increase in alcohol advertising. We seem to allow an amount of advertising of addictive substances that is highly disturbing. Aligning these commercials with sport makes it all the more concerning. I strongly object to gambling and alcohol advertising occurring when children and young people are most likely to be watching, particularly during sporting events. Please do not increase the hours of advertising to these addictive behaviours. Thank you.
