[REDACTED]

I've just read through the consultation paper for the Wangaratta AM to FM proposal.

[REDACTED]

The proposal has an appendix C1 that proposes to change the site for the 3NNN transmitter.  
This wasn't part of our conversion plan. At no stage did we want to move the current 3NNN transmitter. [REDACTED]

[REDACTED]

Can this be removed from the consultation paper?

Regards
