Health & Safety

To help prevent the spread of COVID-19, we've implemented safety measures to protect both our guests and guides while on tour.

Before the tour:

At the time of booking, we ask that you provide us with up to date contact information for each person in your group so we can keep you updated if anything changes, and remain able to contact you after the tour has ended.

If you feel at all unwell leading up to or on the day of your tour, please follow NSW government guidelines regarding isolation and do not come in for a tour.

Please be aware that these standards are applied to our guides as well and may result in your tour being rescheduled.

While on tour:

Before a tour commences you will be required to complete our online registration by using a smartphone to scan our unique QR code.

We ask that you maintain a safe (1.5m) distance from your guide and other participants while on tour. This includes refraining from shaking hands with our guides. (warm smiles are still encouraged). Physical contact on tours should only be done within your own contact group (family etc...)

Your guide will wash their hands before greeting you and will have hand sanitiser available for use. Face masks at this time are not mandatory, but feel welcome to wear one. Please note that to allow our guides to provide the most clear and concise presentation, guides shall not be wearing masks unless instructed to within a designated venue. Guides will maintain the 1.5m distance.

We love showing off the best of our city to you and this often means going inside buildings and down narrow streets. When this is the case, your guide may choose to avoid crowded areas or ask you to walk through or past something before stopping so we can maintain physical distancing both within the group and between you and members of the public.

If at any point on the tour you feel unsafe, just let your guide know and we'll take steps to make sure you are more comfortable.

Guides will be taking photos throughout the tour and will be emailed to you (for free!) at the conclusion.

After your tour:

As you're probably aware, our incredible guides work very hard to provide these experiences in a safe environment. In the past, guests have expressed their gratitude by tipping their guide in cash at the end of a tour. If you are not comfortable with this, guides are also using "Square" to accept credit/debit card payments. While a tip is not expected, it is very much welcome.

If anyone in your group tests positive for COVID-19 in the 14 days following the tour, please let us know. We will also keep your contact information for 28 days to assist with contact tracing if needed,

Cancellations:

Our tours run rain or shine. We only cancel tours in the event of unsafe weather conditions. Customers will receive a full refund in case we cancel due to unsafe weather conditions or other unforeseen circumstances. We reserve the right to change the route in case of unexpected circumstances. The value of the customer's transaction may be subject to taxes, duties, foreign transaction, currency exchange or other fees. Your bank or credit or debit card company may convert the payment into the local currency and charge fees, resulting in differences between the amount displayed on 24hoursinsydney.com.au, and the final amount charged to your bank account or credit or debit card statement. Please contact your bank or card company if you have any questions concerning any applicable conversion fees.

Customers who wish to cancel their tour will receive a full refund with more than 24 hours notice of cancellation. Cancellations within 24 hours of the tour start time (Sydney local time) will be charged the full price unless they also purchased tour cancellation protection at the same time when purchasing the tour itself. With the tour cancellation protection, customers will receive a full refund (minus the booking and cancellation protection fee) if it is requested until the start of the tour. No refund will be provided after that.

Customers wishing to reschedule their tour within 24 hours of the scheduled departure (Sydney local time), may contact us at [REDACTED] to check our availability. Should we have places available, they'll be charged a rescheduling fee of AUD\$20 per booking. Please note that 24 Hours in Sydney does not guarantee rescheduling of any tour less than 24 hours before the scheduled departure time.

No refund is provided for any unused portion of a tour.

Credit card charges: Charges will appear on your statement as "FH* 24 Hours in Sydney".
