Our next Reconciliation Action Plan: Opportunity to get involved

We recently completed [our first Reconciliation Action Plan \(RAP\)](#), delivering a range of action items towards promoting cultural understanding, respect and meaningful engagement with First Nations peoples and cultures. A new RAP will be developed over coming months to be launched at the start of next year, an opportunity for new ideas while we continue with some ongoing deliverables. We encourage all staff to actively participate in our reconciliation efforts. If you are interested in joining the RAP Working Group as a General Member, or as a Divisional Representative to liaise, coordinate and submit division-specific deliverables, please contact [Redacted]

The ACMA acknowledges First Nations peoples as the Traditional Owners and Custodians of Australia. We respect and celebrate First Nations peoples as the original storytellers and content creators of the lands on which

we work and honour the enduring strength and commitment of Aboriginal and Torres Strait Islander peoples to the land, waters and their communities. We pay our respects to Elders past and present.
