Dear RAP Working Group members,

NAIDOC Week 2025 commences on Sunday 6 July finishing on Sunday 13 July

Action 8 of our [Reconciliation Action Plan](#) (RAP) is *Build respect for Aboriginal and Torres Strait Islander cultures and histories by celebrating NAIDOC Week*. One of our deliverables, as part of this action, is for the RAP Working Group to participate in an external NAIDOC Week event.

To deliver on this, the HRC branch has arranged for the agency to participate in the [NAIDOC Week Converge Move Team Challenge](#) during July. Thank you to Fiona Lockwood for this great suggestion. Converge Move is a team-based physical activity challenge that encourages movement, boosts mental wellbeing, and strengthens social connections. For NAIDOC Week, the 4-week challenge will journey across a range of First Nations heritage sites exploring the oldest culture in the world. Taking part in this challenge will provide you an opportunity to learn more about significant First Nations Country and community across Australia. The NAIDOC Week event brief is attached for your information.

You will need to download the Converge app to register. View the [how to register with Converge guide](#) or search the App store for your device. You will need to enter our organisation code AUSTNABQ when registering. You can then create a team and invite your colleagues to join or join the HR Team on 'Team Momentum'

The [NAIDOC Week Hub article](#) details other events and activities you can get involved with. The National NAIDOC Committee has compiled a list of [local events](#) where you can search for activities and events in your state. [Professional Development Funding](#) is available to ACMA working group members assist with the costs associated with attending events. If you have any questions with applying for PD Funding to attend an event please contact [HRassist@acma.gov.au](mailto:HRassist@acma.gov.au).

I encourage you to take part in these events and support NAIDOC Week.

Kind regards
