At the ACMA, [our culture and values](#) are the foundation of who we are and what we do. The [Culture and Values Network](#) exists to bring these principles to life through tangible initiatives that make a difference across the agency.

Whether it's through promoting collaboration, encouraging curiosity or promoting purpose in our work, the network is always looking for passionate team members to help drive these efforts. If you'd like to get involved or share your thoughts, contact the team at [REDACTED].

As a reminder, the Culture and Values Network runs several initiatives, including:

- **Facts & Snacks:** Monthly [presentation series](#) that promote cross-agency understanding and collaboration.

- **Coffee Conversations with Senior Leaders:** [Informal discussions](#) that encourage open dialogue and idea sharing.
- **Corporate headshots:** Making sure you have access to [up-to-date headshots](#) for professional purposes. (Stay turned for more in each location this year!)

Advance our work on Reconciliation

As part of [Our reconciliation journey](#), we developed our inaugural [Reconciliation Action Plan](#) (RAP) in 2023.

The RAP builds on our existing initiatives and has been progressed by the RAP Working Group, with the aim of strengthening our relationships with First Nations peoples and creating opportunities for cultural understanding and meaningful engagement.

If you'd like to contribute towards the RAP's implementation by being a part of the RAP Working Group, contact .

Support our diversity and inclusion

Our [Diversity and Inclusion Strategy 2024-26](#) sets out the goals and actions we have established to build on our commitment to being a diverse and inclusive workforce. The Strategy underpins a workplace culture where employees feel valued, respected and can safely contribute fully, bringing their unique and best selves to work.

A Diversity and Inclusion Working Group will soon be established to discuss and advocate for inclusion initiatives within the agency, including awareness days. Please contact [REDACTED] if you would like to become one of the first members.

Be part of the action

Our various groups are here to help you connect, engage and contribute to our workplace. By getting involved, you'll not only meet new colleagues but also play a part in shaping the culture and community at ACMA.
