This is approved. [REDACTED] is also supportive.

It's good we are getting so much interest – for some years no-one wanted to do it!

Hi [REDACTED]

We have received 1 nomination from [REDACTED] for **Round 1** of the 2025 Jawun Secondment Program. Further details below and [REDACTED] nomination form and CV are attached for your consideration and endorsement. Agency endorsed nominations are due to the APSC Jawun Coordination team by **COB Thursday 14 November**. We would appreciate your decision by **Wednesday 13 November** to coordinate with the nominated employee and submit the nominations to the APSC.

Each nomination is supported by the relevant EM, we are seeking your endorsement given the division is responsible for the management and funding of the Jawun program.

The following nomination was received:

[REDACTED], EL1, Content Safeguards Branch, Content Division.

- Nomination supported by [REDACTED], Executive Manager.
- Selected an in-place secondment (**Costs approx. \$10,000**).

Please note, there were some issues with the form when [REDACTED] was signing electronically which meant she signed a hard copy that was provided to us. If [REDACTED] application is endorsed, once you have signed (hard copy provided to [REDACTED]) we will liaise with [REDACTED] for her to re-sign the form to ensure we have a complete record of this for progressing to the APSC for their consideration.

Based on the application received we **recommend** you:

Endorse [REDACTED] to be considered by the APSC for a Jawun placement.

[REDACTED] has provided a comprehensive application including:

- his motivation for applying for the program.
- previous engagement with indigenous organisations.
- relevant examples of his work that relate to the ACMA's work with First Nation's Communities.
- the experience will contribute to the upcoming work in the Content Media Reform team.

Once you decide on the outcome of [REDACTED] nomination, the team will:

- Advise the applicant of the outcome.
- Provide the endorsed nomination to the APSC for further consideration.
- Liaise with the nominated employees to coordinate the Jawun interview.

For your visibility, in 2024 we have supported the following Jawun secondees:
