What is a Live Bet, and how do I place a Bet Live?

What is Betting Live?

Betting live and in-play means you are placing bets once the event has started.

Sportsbet has recently introduced Fast Codes on all Live Bets. Fast Codes are a quick and easy way to place a live bet over the phone.

How do I place a Bet Live?

To place a Live Bet using a Fast Code:

Remember: Make sure you confirm the bet back before hanging up, otherwise your bet wont be placed

Web Android iOS

1. Click on **Bet Live** on the Left Hand Side of the website

2. Click on the selection you would like to place a bet on to generate a **Fast Code**
3. Call us on **1800 138 238** and once connected to an operator you will be asked to verify your identity, provide the **Fast Code** of your selection and **stake**.
4. The operator will then read back your bet in full.
