Thanks [REDACTED] – there is a 7 & 8 and 1&2 which are included instead of symbols – are you able to adjust?
Thanks

Subject: Publishing outcome of brownlow investigation [SEC=OFFICIAL]
Good afternoon,
As discussed with [REDACTED] last week, the outcome of our investigation into the Brownlow medal needs to be published in conjunction with the release of a news article. It was planned to have this done today, but it has been delayed until Wednesday.
I have attached the information to be published on [Investigations into online gambling providers | ACMA](#). The wagering provider is Sportsbet.
Is it possible to put this into the test environment on the investigation page today so I can take a screenshot, as we are sending details to Sportsbet this afternoon on a confidential basis?
Please give me a call if you wish to discuss.
