

Southern Grampians Community Radio Lacking

Dear ACMA,

I'm Lloyd Malcolm and in Hamilton and the Southern Grampians, There's No Single Community Radio Service to Cover at all. The Southern Grampians Region is Lacking a Community Radio Service to Cater for as well as Sale in Central Gippsland. We Need to Make Sure that Hamilton in Western Victoria Recieves a Suitable Frequency for Community Radio in that Town as they've got the ABC and Commercial Radio as Sole Choices there.

From Lloyd Malcolm of Geelong.
