Thanks [REDACTED] As we are dealing with this under the old SOPs process I have prepared corro to the complainant – please see attached. As discussed with [REDACTED] I have advised that the ACMA does not have a dispute resolution function. Grateful for any feedback you may have.

Cheers

Hi [REDACTED],

Following our discussion yesterday I have completed a [CIA](#) for [BM-15558](#).

While I had identified the broadcast when this complaint first came in, as the broadcast date (10 July 2024) is now more than a year old, I am no longer able to view it on iSentia. I reviewed the audio available on the 2GB website for the relevant date but it did not contain the comments complained about. Accordingly, I have assessed the complaint based on the account provided by the complainant.

I'm logging off now but happy to discuss next week once you've had a chance to review.

Kind regards,
