Dear [REDACTED],

FYI – complaint not investigated – *Ben Fordham Breakfast* broadcast on 2GB Sydney on 10 July 2024

As a courtesy I write to inform you that the Australian Communications and Media Authority (the ACMA) has, at this time, declined to commence an investigation into a complaint received under the *Broadcasting Services Act 1992* in relation to the above content.

The complainant alleged that the program contained inaccurate and disparaging comments towards the Milsons Point Community Group.

In taking this action, the ACMA has had regard to a range of considerations including the specifics and/or merits of the matter, the nature and seriousness of the issue raised, the matter's potential to affect the community at large and its priority in relation to other matters. This outcome will likely be published on the ACMA's website [Broadcasting complaint outcomes | ACMA](#).

There is no action required in relation to this matter, but please contact us if you have any questions.

Kind regards,
