Subject: For review (non-urgent): Response to Tasmanian Times complainant

Hi [REDACTED],

You'll recall we have been in correspondence with both a complainant and the provider of the Tasmanian Times. We've finished discussions with the provider and are comfortable that there is no current contravention of the IGA. The final step is to contact the complainant to let them know we will be taking no further action. For your review, we have drafted a response to the complainant to this end:  [2026.04.02 Draft correspondence to complainant.docx](#).

For context this is the complainant's most recent letter to us which we refer to in our response:  [2026.03.27 Letter to \[REDACTED\] ACMA.pdf](#).

Any further context you may need in our previous correspondence can be found here:  [Complainant Emails](#)

Apologies that this one has dragged out a bit. This is non-urgent so will put in your VINT with a 2 week due date, but whenever you are able to review is fine as I know you are swamped.

Kind Regards,
