We didn't get a response from some services so there may be outages not listed here.

i went to Telstra's website to see what it said about outages in my suburb

Should ACMA be at this?

I would think so, just checking if Cath was invited to it.

Elizabeth Quinn 9/07 11:39 am

time with Adam is being scheduled for 3, so I need assistance from now until then with a view to a draft by 245 ish for Cath to review...
