Subject: NCM on Telstra outage at 1.30pm?

Importance: High

Hi,

Just tried to call on your landline and mobile but didn't connect with anyone.

We're hearing word of an NCM on the Telstra outage at 1.30pm today. ACMA would usually get invited to NCMs about telco matters, but I haven't seen an invite coming through.

Just wondering if we have heard the wrong thing; there is an NCM but our invite has gone astray or is something else going on?

Can someone call me urgently please.

Thanks
Cath
