Was calling to give an update. Restoration progressing but not sorted. Unconfirmed report that someone has died after not being able to get thru to TZ in Victoria. We were told acting CEO would make public statement at 9.45 but haven't seen that start yet (at least on ABC24).

Have just sent an email with a few updates to tps and a suggested line for consideration. About to head home so call on mobile if you want to chat.

Thanks - just about to board -
