Hi [REDACTED] sorry to ping you out of the blue. I understand you are working on an FOI matter. I dont need any details but was wondering around the timeframe for initial assessment. I've been trying to catch [REDACTED] to confirm but am struggling to catch her!

No all good mate.

I have sent out the ack. letter last week, and we have to the 8th august to formally reply. I have a meeitng with [REDACTED] on Friday to go through my assessment and findings, which at that point ill work with her to formally draft something up. Once we have that, you will most likely need to send to the Chair as a FYI.
